Home Builder Claims Marin Extortion Try

Sees $160,000 Loss; Man, Woman Jailed

A 46-year-old Ross woman and her male companion were arrested by sheriff's officers during the weekend in an extortion case which cost a prominent Bay Area homebuilder over $160,000 cash during a nine-year period.

Booked in couunty jail on three felony extortion counts was Willie Marin Fritz, of 223 Redwood Drive. Her companion, Henry Jacob Soderlind, 55, of 85 Poplar Avenue, Ross, was booked on a joint fourth count with Miss Fritz in which both were charged with attempted extortion.

Each was released on $2,750 bail pending arraignment at 1:30 p.m. tomorrow in Marin Municipal Court.

Dist. Atty. Bruce C. Bales said Miss Fritz first met the builder, Joseph M. Walker, owner of Walker-Built Homes Inc., 1631-D University Avenue, Berkeley, in a Sacramento restaurant in 1956.

Walker told investigators that although he was married to another woman, they had intimate relations about six times during the following 24 months. He declared she then threatened to reveal the situation to his wife and business associates unless he paid her money.

GAVE CASH

According to the report, Walker first began giving her cash. Later she also began sending him her bills, officers said, and a system was worked out whereby Walker would buy cashier's checks from the Bank of America, San Anselmo branch, made out to a name, "Robert Weldon."

Walker would then endorse the checks with that name, attach them to personalized bank deposit slips bearing Miss Fritz's name, and send them to her bank account, they added.

Walker, about 55, told investigators that although he has not seen Miss Fritz since 1962, he could not evade her. She even rented a Berkeley apartment near his business location and harrassed him by telephone and telegrams, according to his report.

REMODELING COST

He said he purchased her Ross home, and spent about $30,000 remodeling it, officers said. He also paid $6,000 down on a building she acquired on Sir Francis Drake Boulevard.

Investigators said Miss Fritz finally demanded $40,000 to $45,000 cash to "get off Walker's back." Walker said he ceased paying her money last March, however, and that he couldn't meet the latest demand. He notified his San Francisco attorney, according to the report, but her companion, Soderlind, then contacted both Walker and the attorney, informing them that Miss Fritz was "unhappy" and that Walker "had better pay."

Bales said he was contacted by the lawyer, and his office launched its investigation last Monday.

Subdividers Must Provide Parks

The Marin County Planning Commission today recommended adoption of an ordinance that will require subdividers either to pay a fee or donate land for neighborhood parks.

This action was taken over protest of the Associated Homebuilders of Marin.

"We believe this is probably unconstitutional," Carl S. Brown, executive director of the group, declared. Later he told the Independent-Journal that the ordinance would add from $600 to $700 to the price a subdivision home.

In its present form, the proposed ordinance would require land dedication from developers with a tract of 50 or more lots at a rate of four acres for every 1,000 residents.

Developers of smaller lots would pay a fee based on the same rate and related to the assessed market value on the land at the time of filing a tentative map.

Ernest Friberg of the Associated Homebuilders joined Brown in urging a flat rate for in-lieu payments, but commissioners feared this would be too arbitrary.

Friberg also questioned a reversionary clause which allowed the developer first right to buy back dedicated land should it not be developed. The price would be based on current market value, which would mean the developer would be paying more than the original cost of the land.

Planning Director Paul C. Zucker argued that the developer, through sales on lots, would have already been charging a higher price to recover the dedication and thus should buy it back at a higher price. His argument prevailed.

Brown urged provision for county maintenance of the dedicated plots prior to park development saying that "no buyer is going to be impressed with a weed patch."

"This is an administrative matter that will have to be worked out," Zucker said.

The commission recommended adoption of the ordinance by a 4-0 vote with Commissioners Hugh Dougherty, Claude Stoller and Niels Schultz Jr. absent.

Supervisors must next set a date for public hearing on the ordinance.

Zucker praised both Brown and Friberg for their suggestions over the past several months, saying that despite their opposition they had been helpful in putting together a workable proposal.

Labor, Airlines Called To Continue Talks

COMBINED AP & UPI

WASHINGTON — The Labor Department called in union and management representatives today "to resume negotiations" in the month-old airline strike, while Congress deliberated legislation to end the walkout.

It was the first time negotiators for the striking machinists union and five major airlines had met since the 35,000 strikers rejected a proposed White House contract settlement July 31.

The Labor Department said Secretary of Labor W. Willard Wirtz had summoned both sides to a meeting.

Negotiators for the AFL-CIO International Association of Machinsists and the five airlines — United, Eastern, National, Northwest and Trans-World — were to meet in joint sessions with Asst. Secretary of Labor James J. Reynolds.

The Labor Department action came after Chairman Harley O. Staggers, D-W. VA., of the House Commerce Committee, urged labor and management to settle the dispute to avoid legislation "you will regret . . . the rest of your lives."

Staggers addressed his words

Planners Go For Single Sidewalk

The humble sidewalk today became a major issue before the Marin County Planning Commission in discussion of a tentative map proposed by Barrett Construction Co. for a residential development on 79 acres above Marin City.

Architect Karl Treffinger said a massive thoroughfare to provide both a street and sidewalks on both sides of it was, to him, in conflict with the character of a residential area.

He asked that the development for both single homes and townhouses be allowed with the sidewalk on only one side of all streets, including Donahue Street the main road in the tract.

County Planning Director Paul C. Zucker said that sidewalks should be required on both sides of Donahue in the interest of safety, but he did not protest the single walk on sidestreets.

Commissioners, with sympathetic ears for Treffinger's argument, voted 3-0 for the plan with a condition that walks could be of some other material than concrete, suggesting gravel as a less offensive substitute.

The tentative map calls for 92 single family units and three areas for cluster housing. Commissioner Michael Praszker, who abstained because Barrett Construction consults him for en-

San Rafael's Shops Switch Night Hours

Breaking a tradition of more than 10 years, most downtown San Rafael stores will soon replace their Friday evening shopping hours with Wednesday night openings.

The time set for the new "open until 9 p.m." schedule is Wednesday, Aug. 17.

A recent polling of San Rafael store executives by the Downtown Merchants Committee of the San Rafael Chamber of Commerce showed that a large majority was in favor of making the change. Marvin Larson, manager of Cazassa's Men's Shop and chairman of a subcommittee to introduce the new program, said it has been under consideration for about three months, due to a steady decline in Friday night sales.

"Friday night now appears to be a bad shopping time for many families who want to go away for the weekend," he said. "Add to this the bumper-to-bumper traffic and downtown parking problem Friday nights resulting from crowds of young people on the streets which has caused some people to stay at home. We decided it was worth trying a change."

Larson said Wednesday night is also an established shopping time at the Northgate Shopping Center and "it is hoped more shoppers will refamiliarize themselves with the advantages of our downtown stores on that night."

He reported that a majority of

Two U. S. Companies Throw Back Attempted Communist Ambushes

COMBINED AP & UPI

SAIGON — North Vietnamese gunners shot down a record seven U.S. warplanes yesterday during 107 missions which dealt heavy blows to the Communist nation's supply routes from Red China, U.S. officials said today.

On the ground, Communist guerrillas ambushed two U.S. companies today, but the Americans turned the tables, killing at least 70 of the enemy and possibly 170.

The American units suffered moderate casualties, a U.S. spokesman said.

The Communists fired at least 24 Surface-to-Air Missiles (SAM) at the U.S. aircraft north and northwest of Hanoi where six of the seven planes went down. But officials did not say for security reasons whether the rockets or conventional gunfire brought them down.

Two of the nine airmen aboard the planes were rescued. The others are missing.

The biggest ground fight came in the jungle highlands about 235 miles north of Saigon when a company of the 1st Cavalry Division was surrounded by a Viet Cong battalion — from 400 to 600 men.

The troopers fought them off and called in jet planes which pounded the enemy position with rockets, machineguns and napalm. Then the troopers moved through the battlefield, counting 65 bodies and capturing five of the enemy.

"The body count was based on initial reports and could go higher," a spokesman said, adding that officers on the scene said the guerrillas could have dragged away as many as 100 more of their dead.

A company of the 1st Infantry Division walked into a Viet Cong trap about 40 miles north of Saigon today. The guerrilla force opened up with machineguns, automatic weapons and rifle grenades at close range. A radio carried by SP-4 Jes E. Ransom, Birmingham, Ala., took a direct hit but it continued to operate and the company commander, Capt. Jim Madden, 27, Palm Springs, Calif., was able to call in air strikes.

One of the F4C Phantom jets that flew to the rescue was hit by ground fire and crashed, killing its two crewmen.

The Viet Cong pulled back after about 90 minutes of fighting, leaving five bodies behind.

"I know we killed more than that," Madden said. "We got some flat eyeball-to-eyeball shots."

A spokesman said most of the missiles presumably more advanced SAM IIs were recently supplied by the Soviets.

The most missiles fired in one day was 28 on July 19.

Five of the planes lost were Air Force F105 Thunderchiefs, including two F105Fs packed with electronic gear for use against radar and missile sites. They and a Navy A1 Skyraider were known to have been hit, while the seventh—an Air Force RF101 Voodoo reconnaissance jet—disappeared and was presumed lost to enemy action.

Costs Are Skyrocketing For Big Military Project

WASHINGTON (AP) — The costs of a big military project — the controversial TFX warplane and its Phoenix air-to-air missile weapon system — have skyrocketed, Defense Department figures show.

The department made the multimillion-dollar increases known in reply to series of questions submitted by The Associated Press.

The Pentagon figures show the cost of the TFX, known as the F111, to be about $5 million for the Air Force version and $8 million for the Navy model.

In 1962 there was testimony before Congress that the unit cost of the F111 woud be about $2.9 million.

The original estimated cost of developing the Phoenix system was $137 million. The cost now is $258 million and the weapon still reportedly is having guidance and control problems.

The Pentagon said the reasons for 85 to 90 per cent of the increased costs were "government change orders to improve the capability and increase the versatility of the F111."

The Air Force version of the F111 — the F111A— is being built at Fort Worth, Tex., by General Dynamics, while Grumman Aircraft Engineering Corp., Calverton, N.Y., is building the Navy's F111B.

The F111 was selected by Secretary of Defense Robert S. McNamara despite the recommendation of a 235-man evalua-

Birchers, Law On Housing Prime Issues Of Election

GOP Platform Asks Repeal Of Rumford Act

SACRAMENTO (AP)—Condemnation of the John Birch Society and possible repeal of California's open housing law stood today as prime issues between Democratic Gov. Brown and Ronald Reagan, his Republican opponent.

Brown challenged Reagan to repudiate the Birch Society as a dangerous political extremist group. Reagan again refused.

REPEAL ASKED

And a 1966 state Republican platform adopted Saturday urged "repeal or amendment" of the nationally publicized Rumford Act barring housing discrimination.

That posed a touchy issue for the Democrats' state convention next weekend in Sacramento: What stand to take on the law, strongly backed by Negroes and a white minority, but renounced by a vast majority of white voters in a 1964 statewide ballot.

COURT ACTION

Center of the three-year-old controversy is the Rumford Act. Passed in 1963 by the legislature it bans racial or religious discrimination in the sale or rental of most publicly assisted housing in California—a majority.

Enough voters signed petitions in 1964 to put the matter on the November ballot, and by a 2 to 1 margin the law was nullified. But a 5 to 2 State Supreme Court ruling overturned the vote, upheld the law and sent the issue to the U.S. Supreme Court.

Democrats recall that former White House Press Secretary Pierre Salinger credited his opposition to the 1964 anti-Rumford initiative as a main reason for his U.S. Senate race defeat to Republican George Murphy, who was noncommital.

CANDIDATE RONALD REAGAN
At Capitol on way to GOP convention

Democrats also adopted a strong plank favoring the law in 1964, and opposing the anti-open housing proposal. Republicans took no stand that year.

Saturday, the Republican State Convention overrode Negro protests and adopted a civil rights platform plank recognizing minority group housing problems but urging:

"The repeal or amendment of the Rumford Act of 1963 and its replacement or amendment by constructive legislation which protects the free choice and constitutional rights of all citizens."

Reagan, who favors repeal of the law but disagreed with the 1964 statewide ballot, had approved the platform's wording along with the other statewide GOP candidates.

He stressed at a Saturday night speech that "I repudiate bigotry and racism and all those who are guided by it."

At the convention earlier, Sen. Clark L. Bradley of San Jose insisted to opponents of mentioning repeal that "We have an obligatton to recognize what a majority of the people think on this matter."

Opponents contended the pending federal open housing law would render pointless any urging of repeal of the California law.

Berkeley Mayor Wallace Johnson, a white running for the Senate against the law's author—Assemblyman William Byron Rumford—declared: "We don't want the status of the party of the 'white backlash'."

James Flournoy of Los Angeles, a Republican State Central Committee member, added: "When you use the word 'repeal' you are automatically slapping one million Negroes in the face. I beg of you . . . don't deny me as a Negro the opportunity to go into my community and try to sell the Republican party." He wept.

Brown and Democratic State Chairman Robert Coate didn't mention the matter yesterday in formal statements regarding the Republican meeting.

Instead, they launched a full-scale attempt to paint Reagan as carrying the hopes of ultra-right wingers.

"The John Birch Society is an issue in this election," the governor said in a statewide radio broadcast. He said Reagan's repeated refusal to condemn or support the group made it an issue.

Reagan Says Labor Raising Big War Chest

SACRAMENTO (AP)—"State sultans of labor" have agreed to raise $3 million from union members and use it against him, Republican candidate for governor Ronald Reagan charges.

"Much of it won't have to be reported" as campaign expenses, he said, because it will be camouflaged as "educational" spending.

AFTER CONVENTION

His latest attack on the state's top labor leaders came Saturday night in a speech to several hundred Republicans after the 1966 state GOP convention.

Reagan pledged that if elected he would seek legislation for a "state labor and management act." Such a law he added, would aim to prevent such situations as the 11-month grape pickers' strike in the Delano area.

For the union member, Reagan said, he would also urge a law to "guarantee the right on all policy matters in his union to a secret ballot."

He also criticized the so-called "right to work" proposal that would prevent making the holding of a job conditional on union membership. Reagan said he opposed it in the bitter 1958 California battle as "too big a gun for the problems we seek to solve."

TWO TERMS

The GOP candidate also said that if elected, he will seek "whatever legislation is necessary to limit henceforth any governor of California to no more than two terms."

He described the administration of Democratic Gov. Brown—who is seeking a third term—as "tired and stale . . . If a man cannot do a job in eight years, what makes us think he can do one in 12?"

Traffic Deaths Continue To Rise

CHICAGO (UPI)—More than 23,000 Americans died in traffic accidents during the first half of 1966, the National Safety Council said yesterday.

The toll was the highest ever recorded, the Safety Council said.

The total number of fatalities, 23,570, was about 8 per cent above the 21,750 count for the first half of last year.

The number af fatalities during the month of June, the Safety Council said, was also the highest in history. Statistics showed 4,270 dead—5 per cent more than during last June.

Pillars Established For Common Market

BRUSSELS, Belgium (AP) — European Common Market officials and delegates are on a month's vacation, after tying up the biggest package deal in the market's nine-year history.

Before going away they agreed on merging agricultural and industrial markets of the six countries not later than July 1968.

This means that the main pillars are established for a single market for 200 million Europeans.

The new agricultural policy is protectionist, with high prices for farm produce.

In year-long debates the six were reluctant to make concessions. The attractive side of the agreement was that the cost of buying supports and export subsidies will be financed from a common fund to which the national treasuries contribute.

The fund's annual budget, almost $2 billion from 1968 onward, will cover part of the costs to modernize and mechanize farming.

The single market will make it easier for the six to tackle some of the major problems of modernizing their farming. A low level of productivity, resulting in farm incomes consistently behind those of industrial workers, has made it difficult for farmers to stand up to competition.

Farmers make up 17 per cent of the market's 76-million working population. They earn only 8 per cent of the gross community product. Industrial workers make up about 43 per cent, earning about 45.5 per cent. People employed in the services represent 39 per cent, earning some 45.9 per cent.

A wider consumer market will improve sales prospects and enable farmers to specialize.

Grapes will be grown in southern regions only, not in hothouses in Belgium and The Netherlands. Southern Italy will leave sugar beets to the farmers in the north.

National tariffs and quotas are replaced by a community system of internal and external levies administered by the Executive Commission. Starting next July, single prices for farm products will be introduced throughout the community.

Quake Tremors In San Diego

LOS ANGELES (AP) — An earthquake felt in California and Arizona yesterday was centered near the Gulf of California, where branches of the San Adreas fault enter the sea, scientists report.

The tremors were recorded in Pasadena, at the California Institute of Technology's seismological laboratory.

There was shaking and swaying of buildings in San Diego, officials reported. Charles Howell of the San Diego State College Geology department said the earthquake proably was the most severe felt in that area in years although no damage was reported.

Fire Fighters Battle Two Raging Blazes

COVELO (AP)—Northern California fire fighters today fought a wildfire of 3,600 acres near Covelo and one of 2,400 acres near Clear Lake.

Some 750 men battled the larger blaze, which was threatening to move into timber in the Mendocino National Forest 12 miles southeast of Covelo.

That fire broke out Saturday in grass and brush in the Eel River watershed area. A state Division of Forestry spokesman said, "So far, the fire is only 30 per cent contained."

The smaller fire was burning 12 miles southeast of Clear Lake near the Yolo-Lake County line. It too was only about 30 per cent contained by the 230 men on its fire lines.

The causes of both fires were unknown.

FLIGHT RECORDER MAY YIELD CLUE

Explosion Heard Before Plane Struck Nebraska Field, Killing 42

FALLS CITY, Neb. (UPI)—Federal investigators said today a battered flight recorder may provide some clue as to why a Braniff International jetliner fell flaming from the sky and crashed in a farm field, killing all 42 persons aboard.

At least two witnesses said they heard an explosion before the British-made jet ployed into a sloping field of soybeans about 11 miles from here late Saturday night.

SABOTAGE HINTED

An FBI agent at the scene declined to comment "at this time" on the possibility of sabotage.

Forty-two white stakes driven into the soft earth gave silent witness today to the terror which broke over the southeastern Nebraska farmlands. They marked the positions where the bodies were found.

Investigators from the Civil Aeronautics Board were joined in the field by experts from Braniff, the British Aircraft Co., Rolls Royce, which manufactured the plane's two jet engines, and agents of the Federal Bureau of Investigation.

PIECING TOGETHER

CAB spokesman Ed Slattery said investigators hoped to piece together the mingled jet right in the soybean field and not far from a huge tent which was erected to shelter investigators.

Slattery said one flight recorder was recovered. It monitored the conversation between veteran Capt. Donald G. Pauley and the copilot in the cockpit. Another recorder which monitored the plane's movements in the air, was still being sought.

The crash was the first fatal accident of the British built BAC-111 since the plane was put into passenger service more than a year ago. Seven persons were killed while the plane was being tested.

The tail section of the plane was found a mile from the remainder of the twisted wreckage after what appeared to be a violent explosion. The jet apparently plunged nearly vertically to the earth.

Witnesses said they saw a brilliant flash of light in the rainy Nebraska skies before the plane crashed. At least a dozen persons watched the plane plunge to the ground in flames.

Most of the victims their bodies badly burned and mangled—were thrown clear of the wreckage. Searchers found them in the muddy field. The pilot was found in the cockpit, his hands gripping the controls.

Cugat Marries Spanish Singer

LOS ANGELES (UPI) — Bandleader Xavier Cugat, once known as the rhumba king, and his new bride, Charro, a 21-year-old Spanish singer and dancer, leave here today on a honeymoon trip to Spain.

The 66-year-old Cugat and Charro were married in a civil ceremony here yesterday at a Las Vegas, Nev., hotel and gambling casino.

Justice of the Peace James Brennan performed the ceremony. The bride's real name is Maria Rosario Pilar Martinez Molina Baeza. Her sister, Carmen, was matron of honor and Cugat's brother, Henry, was best man.

Persia changed its name to Iran in 1936.

Regents Say Campus Unit Progressing

BERKELEY (AP)—The University of California's Berkeley campus administration is making progress toward solving problems of student behavior and political activities, says a special university regents' committee in a report answering state Senate critics.

The brief report, to be presented to the Regents at their September meeting in San Diego, also says a ban against employing Communists by the university has been adequately enforced by the administration.

ANSWERS COMMITTEE

The 250 word report released Saturday was in answer to a 153-page state Senate committee report charging the Berkeley campus with being a haven for Communists and sexual deviates.

The report by the Senate Fact-finding Committee on Un-American Activities in California also called the campus a pivotal base for the anti-Viet Nam war movement in the United States.

The Regents committee did not answer the Senate committee's detailed charges.

NEW ISSUES

Instead, the Regents committee, headed by Jesse W. Tapp of Los Angeles, former Bank of America board chairman, said three major "substantive questions" were raised by the Senate group led by Hugh M. Burns, D-Fresno.

These were:

"1. Have the administrators of the Berkeley campus, supported by the university-wide administration, been sufficiently vigorous in enforcing the rules regarding student behavior and activities?

"2. Have the university's administrators carried out the 'open forum' policy on the Berkeley campus in a manner consonant with the intent of the regents and the public interest?

"3. Has there been adequate enforcement on the Berkeley campus of the ban on employment of Communists by the university?"

The regents' committee said all three were answered "in the affirmative."

2,000 Whites Attack Chicago Demonstrators

By ASSOCIATED PRESS

Some 2,000 white hecklers threw rocks, bottles and firecrackers yesterday when demonstrators for open housing in Chicago's white neighborhoods staged their largest march since the drive began 10 days ago.

The marchers, protected by solid walls of police, moved into the all-white Cragin section of Chicago's Northwest Side. Approximately 1,500 persons were in the integrated group, led by Al Raby, head of the Coordinating Council of CommunityOrganizations, and aides to Dr. Martin Luther King Jr.

King, hit by a rock during a demonstration Friday, was in Jackson, Miss., today for the annual convention of the Southern Christian Leadership Conference which he heads.

Violence broke out early today in Lansing, Mich., as gangs of white and Negro youths clashed. Police brought the situation under control in about three hours.

The hostility in Chicago reached fever pitch before a summer thunderstorm drenched marchers, police and hecklers — who cooled off to the point the violence settled into jeering and hooting.

Police arrested 21 whites. Dozens of persons were injured before the end of the nearly four-mile march.

The violence in Lansing, in which four policemen and an undetermined number of motorists were injured by glass splinters, saw gangs of as many as 30 smash store windows and hurl rocks and bricks at passing cars.

Police said the outbreak was touched off by a group of white youths "cruising for trouble," and spread to a Negro section.

In Washington, the House takes up a proposal many view as the most important of the pending 1966 civil rights bill — the plan to bring the federal government into crimes of violence against Negroes and civil rights workers.

In Los Angeles, the Watts community — scene of bloody rioting one year ago — is making plans to observe the anniversary this weekend with an arts and jazz festival.

Money Saved By Fasting Goes To Relief Group

STANFORD (UPI) — A group of demonstrators, some of whom are fasting, continued a 48-hour peace vigil today on the Stanford University campus.

Those fasting said they would send the money that would have been spent for food to "Terra des Hommes," a Swiss group formed to provide treatment in Europe for children who suffered war injuries in South Viet Nam.

The Swiss organization was started in reaction to reports by the International Red Cross that many children are dying in South Viet Nam because of inadequate medical facilities.

The Stanford Faculty Committee for Peace in Viet Nam is sponsoring the vigil.

Meanwhile at the Concord Naval Weapons Station in Port Chicago, the debarkation point for much of the munitions used in Southeast Asia, a group of about 24 demonstrators were expected to continue an anti-war demonstration today.

A very peaceful group of about 400 picketed outside the station Sunday, with no incidents or arrests, according to the Contra Costa County Sheriff's Department.

Four Twin Sets

EPHRATA, Wash. (UPI) — Four sets of twins were in the Ephrata High School graduating class of 1966. They were Bette and Bobbi Seals, Shirley and Sharon Colwell, Ron and Don Newcomb and Jeanne and Jim Peng.

Oil-Wealthy Sheik Loses His Pipeline

KUWAIT (UPI) — A despotic sheik who was taking home — literally — about $30.8 million in annual oil revenue since striking it rich in 1962 has been deposed by his younger brother as ruler of Abu Dhabi on the Persian Gulf.

British authorities said yesterday that 61-year-old Sheik Shakbut had been ousted by his brother, Zaid Bin Sultan Zaid, as head of the 26-square mile desert land.

Shakbut, who once kept an oil fortune under his bed, was overthrown for refusing to part with any of Abu Dhabi's oil money. The state earned $30.8 million last year and is expected to top $67 million in 1966.

Shakbut, a wiry, black-bearded feudalist, wanted all the cash himself and only recently was persuaded to remove it from a chest under his bed for deposit in a bank, the British officials said.

Despite the vast income of the land, most of Abu Dhabi's 20,000 inhabitants live in poverty. Shakbut had been running a one-man fief since 1962.

Two Teen-Agers Hurt In Crash

Two San Rafael teen-agers suffered minor injuries in a two-car collision at Second and Irwin streets, San Rafael, yesterday.

Janet D. Jones, 19, of 16 Marina Way, one of the drivers, suffered scrapes of the forehead and shoulder, and her passenger, Marie A. Maionchi, 18, of 22 Marina Boulevard, suffered a cut right knee. Each was treated at Marin General Hospital.

Police said a car driven by Ruby Lucille Wilson, 29, of San Francisco, traveling north on Irwin Street, apparently went through a red light and collided with the Jones, car, which was eastbound on Second Street.

Assault Victim Still 'Critical'

PINOLE (UPI) — Caree Collison, 15, beaten and shot last week, remained in critical condition today as police pressed their widespread search for an unknown assailant who killed her companion.

Police said yesterday they had no substantial clues and were waiting for Miss Collison's condition to improve before questioning her.

The girl and a companion, Susan Box, 15, Pinole, disappeared a week ago after leaving Susan's home for a baby sitting job. They were found last Wednesday in some bushes near San Pablo Bay, both raped and nearly nude. Susan was dead.

A spokesman for Brookside Hospital in nearby San Pablo said Miss Collison was unconscious yesterday but appeared to be "holding her own."

Committee Seeks Stay In Executions

The Friends Committee on Legislation announced a campaign Friday "to convince Governor Brown to stay all executions at least until adjournment of the 1967 legislature."

The state's first execution in three and a half years has been set for Aug. 17. The condemned man, Earnest LeRoy Jacobson, 36, was convicted in Los Angeles County in 1964 of drowning Kelly Babcock, 2-year-old daughter of his common-law wife.

NATURE'S KETTLES MAKE ELECTRICITY

From wells drilled to depths of 500 to 5,000 feet at The Geysers, Sonoma County, come geothermal steam which in two generator units of Pacific Gas and Electric Co. already produce 26,000 kilowatts. This will be doubled by a third unit around the end of the year. Announcement has just been made that a fourth unit is to be constructed at cost of $3.2 million, scheduled to go into service by December of 1968 and bring total capacity to 81,000 kilowatts. This is the only such plant in the United States.

'Banshees' Bike Gang At Stinson

A group of Fremont motorcyclists called the "Banshees," late Saturday caused brief concern during a refreshment pause at a Stinson Beach tavern. No disturbances were reported by sheriff's officers, however.

Deputies said the group, 10 youths and three girls travelling on a total of seven motorcycles and a pickup truck, entered Dipsea Inn about 8:15 p.m. A bartender telephoned the sheriff's office, and was told that deputies would stand by in case of complaint, according to officers.

Sheriff's Sgt. Robert Bertrand said some boisterousness resulted. The California Highway Patrol said it received a call that the group was "tearing up the streets in Stinson a bit," but no actual damage resulted.

The cyclists wore black leather jackets, colored scarves around their heads, and had a sombrero-clad leader who blew a whistle to control their movements, witnesses related.

ARRESTS

Walker, specifically charges Miss Fritz with extortion of "about" $16,000 from Walker during a period from March 1, 1964, to December 31, 1964, by threatening to expose a secret.

The second count alleges she extorted about $34,000 from Walker from Jan. 1, 1965, to Dec. 31, 1965. The third charges extortion by Miss Friez of property worth $8,750 from Jan. 1, 1966, to Feb. 28, 1966.

The joint count charges Miss Fritz and Soderlind with attempted extortion March 1, 1966, to July 30, 1966, through a threat to expose Walker.

Miss Fritz has a minor police record dating back to Oct. 8, 1963, for disturbing the peace and being drunk in Placerville. She also was arrested Jan. 1, 1964 in Ross for being drunk. Her record reveals no disposition of either case.

Soderlind's record shows many arrests for being drunk and for drunken driving, dating back to Jan. 20, 1948. On Nov. 30, 1962, he was given 90 days in Marin County Jail for forgery, the record shows.

Walker reportedly also has home-building enterprises in Sacramento, Santa Barbara, and Los Angeles. He has a grown son.

downtown merchants is opposed to two shopping nights a week, though some stores are already following that schedule.

Macy's department store will now be open Monday, Wednesday and Friday nights and J. C. Penney and Co. is expected to adopt the same schedule. Both previously have kept open Monday and Friday nights.

Lachman Bros. home furnishings store will remain open both Wednesday and Friday nights through the month of December. Jerry Schendell, manager of F. S. Rasco Co. department store, said business has been good here on Friday nights so the store will remain open both Wednesdays and Fridays.

About three years ago members of the Downtown Merchants Committee approved Monday and Friday late openings, but after four or five months most of the stores discontinued Mondays.

AIR

to representatives of the union and airlines before calling machinist's president P. L. Siemiller as the day's first witness.

Staggers said the Commerce Committee will meet in the early morning and at night, if necessary, to complete action on a Senate-passed bill under which the striking airline mechanics could be ordered back to work for as much as 180 days.

Staggers said the history of such legislation is that once it is enacted, it is seldom repealed, but widened and expanded.

"This will haunt labor and management for years," Staggers told them.

P.L. (Roy) Siemiller told the House Commerce Committee that if the emergency measure is defeated, the five struck airlines would promptly come up with an offer that would be accepted by the union.

"The very minute Congress tells the carriers it is not going to bail them out with legislation, they are going to come to the bargaining table with an offer the workers can accept," the president of the International Association of Machinists testified.

Siemiller repeated his arguments that the tie-up of five trunk carriers is not a national emergency.

He said a recent bus strike against Western Greyhound affected 135,000 to 150,000 passengers, about the same number as are affected by the airlines strike.

"Yet, there was never any hue and cry to suspend the right to strike because of the Greyhound bus strike. This fact has led some observers to suggest that the pressures to end the airline strike have a direct relationship to the higher income level of airline passengers," Siemiller said.

Siemiller contended "there isn't a chance that these airlines will ever talk about an equitable settlement as long as there is a chance that Congress will pass a law that will force our members back to work and permit the carriers to refuse to share their fabulous profits with the employees who made them possible."

OBITUARIES

Mrs. Russell Services To Be Held

Funeral for Mrs. Ruth E. Russell, formerly of Mill Valley, will be held tomorrow at 1:30 p.m. at Russell and Gooch Mortuary, Mill Valley. Burial will be in Middleport Hill Cemetery in Middleport, Ohio.

tion board that a Boeing Co. design be accepted.

McNamara said the General Dynamics design would ultimately save the Defense Department $1 billion.

One of the reasons, he said, was that it offered a high degree of identical parts for the Navy and Air Force versions.

The Pentagon said more than 82 per cent of the air frame parts are common. It did not use the term identical.

The term "commonality" arose during 1962 Senate hearings on the craft. The Boeing design offered parts that were "common"; that is, similar. General Dynamics offered identical parts.

The plane and its weapons system also are behind schedule. The Pentagon said the "F111B and Phoenix schedules have been revised to provide for a more optimum weapons system development. They should provide for the delivery of an operations system within the desired time frame — the 1970 era."

Other sources said the F111B weapons system is 12 to 18 months behind schedule.

Arrest Made In Colorado Coed Murder

BOULDER, Colo. (UPI) — The Boulder district attorney's office disclosed today Joseph D. Morse, 37, Longmont, Colo., has been arrested in connection with the brutal killing of Miss Elaura Jeanne Jaquette, 20.

The pretty University of Colorado coed from Grand Junction, Colo., was killed last July 9 in a music practice room of Macky Auditorium on the Boulder campus.

Dist. Atty. Rex Scott said he would probably file first degree murder charges against Morse today. Scott said the suspect was jailed Friday after Undersheriff Marv Nelson was tipped off by a telephone caller.

Scott said Morse had not been employed as a janitor by the university since 1963, is married, the father of five and an Air Force veteran.

American planes over the Communist North was Aug. 15, 1965, when six went down. The losses yesterday brought the number of planes reported shot down in the Communist North to 326.

The spokesman said Air Force, Navy and Marine pilots flew 107 multiplane missions over North Viet Nam yesterday, concentrating on the Hanoi-Haiphong industrial belt and the panhandle in the South.

Between Hanoi and the Red Chinese frontier, Air Force fliers said they caught a 20-car train on the Red River line and raked it with their 20mm cannon because they had already spent their bombs on a fuel dump and a SAM site, he said.

On the other rail line to China leading northeast of Hanoi, Air Force pilots reported destroying another 20-car train 50 miles from the North Vietnamese capital.

U.S. Air Force and Marine pilots flew 406 single-plane sorties in South Viet Nam yesterday, while South Vietnamese fliers added 214 more strikes. At least 21 Communists were reported killed after forward air controllers spotted about 100 Reads near the Cambodian frontier and called in 19 planes to bomb and strafe the jungle area.

A South Vietnamese armed propaganda team made up of Viet Cong defectors raided the Communist village of Thanh Phuoc 70 miles southeast of Saigon this morning. Attacking a squad of 13 guerrillas, the raiders killed eight, captured four Communists and took three weapons, a spokesman said.

Motorboats Kill One Swimmer And Hurt Two

STOCKTON (AP)—A swimmer was killed and two others were injured by motorboats Sunday.

Bonnie L. Riggs, 10, of Livermore, was injured fatally by an outboard motorboat in the San Joaquin River 10 miles south of Stockton.

She was struck by a boat driven by Ronald Madeiros, 30, of Hilmar, who was towing his wife on water skis.

A speedboat skidded into a group of swimmers in 14-mile Slough, 10 miles west of Stockton, seriously injuring Lynwood Lewis, 22, and slightly injuring his sister, Jana, 18.

Police reports said a friend, Larry Strobel, 16, lost control of the boat as he made a turn and it skidded into the swimmers. All are from Stockton.

Crusade Names Head For Marin Section

Carroll Walker, San Rafael insurance executive, will head the Marin advanced gifts section of the 1966 United Bay Area Crusade campaign.

Walker, of 44 Las Casas Street will direct volunteers soliciting individual donations from $100 to $500. The advanced gifts corps, manned by members of the Marin Life Underwriters Assn., will begin work prior to the fund campaign start Sept. 26.

Battery Is Stolen

George B. Conlan of 189 Birch Road told Belvedere police yesterday that a 12-volt battery was stolen from his car while it was parked at his home.

Unkind Surprise By Sneak Thief

A sneak thief with a mean streak gave Patricia G. Houge of San Rafael a rude jolt yesterday.

Mrs. Houge, of 410 D Street, discovered, as she drove away from the Country Club Bowl on Vivian Way, that the thief had not been content merely to take her hub caps.

It appeared — when the rear wheels fell off — that the lug bolts had also been removed.

Stolen Car Contains Hypnotic Drugs, Pills

A car stolen Saturday in San Rafael had drugs with a wholesale value of $700 in a paper bag on the back seat, its owner, Glen Roy Hulet told police.

Hulet, a transporting agent for several drug stores, said the car was taken from in front of 224 Center Avenue at about 5:35 p.m. In a sealed plastic bag inside a brown paper bag, Hulet said, were containers with hypnotic drugs, antibiotics and birth control pills.

Meeting Changed

The regular meeting of the Sausalito School Board has been changed from tonight to next Monday at 8 p.m. because a majority of the trustees are on vacation.

Astronaut Child Still 'Serious'

GALVESTON, Tex. (AP) — Kimberly Lind, 3-year-old daughter of new astronaut Dr. Don L. Lind, remained in serious condition today after she was struck by a car during a family outing here Saturday.

A spokesman at John Sealy Hospital said Kimberly was "holding her own" after the accident, which occurred on Galveston's West Beach as she darted from the surf into the car's path.

Lind, 35, was named in April as one of the 19 new astronauts.

Dishes Disappear

Beall J. Ernst of 1895 Mountain View Drive reported to the Tiburon sheriff's substation Saturday that $500 worth of dishes had been stolen from his home during the past few months.

Tree Discussion

Corte Madera Planning Commission, meeting at 7:30 p.m. today in town hall, will discuss the city council's plans to remove trees in an area planned for a parking lot next to town hall. The planning commission originally recommended that the trees not be disturbed.

Garden Club

The Redwood Shade Garden Club will meet at St. Stephen's Parish Whitaker Hall in Belvedere Friday at 8 p.m. when George C. Lee of the California Division of Highways addresses the group on "Showing and Growing Horticulture."

Humphrey States Farm Policies In Grain Belt

COLUMBIA, Mo. (UPI)—Vice President Hubert H. Humphrey came into the restless grain belt today to tell farmers the age of crop surplusses is all but gone and they will have to expand production.

In a prepared speech, clearly agricultural policies, Humphrey also spoke of a sharp upturn in export of farm commodities.

With respect to food prices, he said: "The best bargain in the world today is the food basket of the American family."

In that connection, the vice president listed a variety of statistics to show that farm costs and farm productivity are up while farm income has not kept pact. He told the Mid-Continent Farmers' Assn. the administration is determined that the farmer will get his fair share of the expanding national economy.

Highway Median Barriers Prove To Be Life Savers

The median barriers installed along California freeways, including stretches between Richardson Bay Bridge and San Rafael, have proved to be effective life savers.

The value of these barriers is being recognized nationwide. The California Division of Highways has received a well-deserved commendation from the National Safety Council.

The council president, Howard Pyle, noted in the commendation certificate: "This barrier has prevented untold human suffering by helping to eliminate high-speed, head-on collisions on California freeways."

Ten years of research was required to refine the two types of median barriers generally in use in California. One is a set of metal beams mounted on heavy posts such as the one on the San Rafael overpass. The other is a cable with a chain link fence like those along the Alto strip.

Highway engineers acknowledge that the property damage accident rate usually rises slightly along highways that are equipped with barriers. On open highways without barriers, a car occasionally crosses over the center strip but manages to escape without a collision. But with the barrier, all cars that swerve or drift into the center strip become casualties.

The increase in rate of accidents is compensated for by the reduction in head-on collisions and in fatal crashes.

As State Highway Engineer J. C. Womack points out, the state is trading property damage for lives through the use of median barriers.

We believe that is a fair exchange, particularly because the errant car is usually the one which is damaged and not oncoming traffic.

The state is waging an expensive war against traffic accidents with safety measures such as the median barriers and reflector-type lane markers.

Nationally, laws are being prepared to compel manufacturers to install more safety equipment on automobiles.

The rest is up to the driver. In the final analysis, it is the driver who is responsible for most accidents.

Should he be lulled into a false sense of security, then the safety precautions taken by the state and federal governments may have been in vain.

San Rafael's Weedy Monstrosity

A weed has been defined as a plant out of place. Such a plant is the sickly tree perched high upon a sore-thumb mound of earth—like a statue to bad taste—in front of the otherwise beautiful, new San Rafael City Hall.

This landscape architect's nightmare seems utterly incongruous in such a lovely setting. It had a splayed, twin trunk to begin with. One of the trunks was sawed off, leaving an ugly butt. It looks so sickly we can hear it gasping.

It stands like some sad, uprooted thing high above the level of surrounding ground. Why not plant a handsome, new tree—one in keeping with the beauty of the surroundings?

Go see for yourself—and weep.

Annual Statistical Report Gives Grim Juvenile Delinquency Facts

By EDWIN S. CAPPS

SACRAMENTO (CNS) — The boy or girl first committed to an institution of the California Youth Authority usually comes from a low economic background, often from a split family.

The CYA, in its annual statistical report, describes the average youths first committed on a statistical basis. Generally, there is little background difference between boys and girls.

Some of the boys, 25 per cent, have a record of minor violence, and 15 per cent have records of major violence, while none of the girls was listed as having such records.

There was a bit higher use of drugs among girl offenders and their average age and grade level of school completed was higher.

HERE ARE SOME of the compilations reported by the CYA:

Home Environment: Boys: 67 per cent below average socio-economic environment, 27 per cent with average and 6 per cent above; Girls: 70 per cent below average, 26 per cent average, and 4 per cent above average; Boys: 72 per cent had economically self-supporting family, with 28 per cent receiving partial or full support from public assistance payments; Girls: 67 per cent of families economically self-supporting, with 33 per cent receiving public assistance.

Family: Boys: 47 per cent parents divorced, 13 per cent parent dead; Girls: 58 per cent parents divorced, 15 per cent one parent dead; Boys: 36 per cent parents had some high school, 31 per cent had high school or beyond; 33 per cent had eighth grade or less; Girls: 35 per cent some high school; 33 per cent high school or beyond; 32 per cent eighth grade or less; 69 per cent of the fathers or father substitutes for the boys, and 64 per cent for the girls, had no known criminal or delinquent record.

Schooling of youth: Boys: 39 per cent negative or extremely negative, 37 per cent indifferent, 24 per cent positive attitude; Girls: 46 per cent negative or extremely negative, 37 per cent indifferent, and 17 per cent positive attitude; 56 per cent of the boys and 69 per cent of the girls had been involved in serious school misbehavior on numerous occasions; Boys: 51 per cent were at junior high level, 42 per cent at high school level, and 7 per cent in grade school; Girls: 54 per cent at high school level, 45 per cent at junior high level, and 1 per cent in grade school; 60 per cent of the boys had normal mental ability and 32 per cent below normal, while 52 per cent of the girls were judged normal and 43 per cent below normal.

Developmental behavior: this was about the same for both boys and girls, 71 per cent of the boys and 63 per cent of the girls had shown no evidence of psychological disturbance, more than 80 per cent for both had friends who tended toward a delinquent orientation, and both were about 60 per cent Protestant and 40 per cent Catholic.

Delinquent behavior: the big majority of both boys and girls had had two or more delinquency contacts prior to their commitment to the CYA; The majority (boys, 58 per cent, girls 64 per cent) had no prior commitment; 83 per cent of the boys and 95 per cent of the girls had used no weapons; 88 per cent of the boys had no known narcotic or drug use, while 8 per cent had a history of marijuana use, 3 per cent had used dangerous drugs, aand 1 per cent had a history of opiate use; with the girls, 74 per cent had no drug use history, while 15 per cent had used marijuana, 10 per cent dangerous drugs, and 1 per cent opiates.

Fifty-two per cent of the boys had co-offenders in his present offense but only 41 per cent of the girls had co-offenders.

The median age for boys was 13.4 years at first contact and 15.4 at first commitment; for girls it was 14.2 years at first contact and 15.6 at first commitment.

Two Points Need To Be Clarified

Editor, Independent-Journal:

Thank you for the coverage that you gave my proposed schematic plan for San Anselmo in your Aug. 2 edition. Your news article was accurate except for two points which I would like clarified. First, my plan does not show that all the residential property "south of Drake between Barber Avenue and Ross town limits be condemned," as you stated. It shows that only the property fronting on Drake in that area be used for a future creek park. These properties are now for the most part vacant lots. In principal, I do not believe that any property should be condemned unless it is absolutely necessary for more important ends.

The second point which was slightly inaccurate was that I had admitted that the "only way it (the plan) could be financed would be through some sort of redevelopment program." Actually, the planning commission asked how I thought it should be financed, and I answered that the city should have a thorough study of various methods of financing any specific plan, whether it be mine or some other. I admitted that Federal Renewal programs should be included in that study, but I added that I was not pressing any specific method, since my purpose was not to present a detailed plan but to bring out some new concepts.

I hope this letter will clarify these two points.

Contributions Need Coverage

Editor, Independent-Journal:

You may or may not know that the Rotary Clubs of Marin County, consisting of the Sausalito, Mill Valley, San Anselmo, San Rafael, Terra Linda and Novato clubs, as a joint project contributed to the Irwin Memorial Blood Bank, a bloodmobile exclusively for the use of Irwin Memorial Blood Bank in servicing Marin County.

This contribution on the part of the Rotary Clubs of Marin County represented a substantial monetary contribution for the aforesaid purpose to the citizenry of this county.

I am a Director of the San Rafael Rotary Club and was advised at a recent meeting of the Directors that appropriate press releases from the Irwin Memorial Blood Bank together with pictures of the bloodmobile and Blood Bank personnel accepting such contribution were forwarded to the Independent-Journal as a news release item. I was further advised that after release of such news item, there appeared in the Independent-Journal an item of approximately five lines in length covering this news.

I personally feel that a community project of this magnitude and value to the people of Marin County is a worthy news item and is deserving of substantially greater coverage than that afforded it by the Independent-Journal.

For all practical purposes, the Independent-Journal has not given this community project any news coverage at all. In this regard, I feel that it has violated its obligation to the people of this county in failing to advise them of such a civic undertaking in their behalf.

I would certainly hope that in some way your paper may see fit to give this community service project the news coverage and publicity to which it seems properly entitled.

High-Handed Action Of Supervisors

Editor, Independent-Journal:

Our board of supervisors took an appalling, high-handed action when they slashed the assessed value of George Wheelwright's ranch July 29. The Constitution requires that agricultural land—even though under contract to remain agricultural for 10 years—shall be assessed on the basis of its market value, not on the basis of its agricultural use.

Large landholders tried to get the Constitution changed in 1962 and were defeated. Remember Proposition 4? Marin voters rejected it by the generous margin of 5,434 votes.

But our board of supervisors, unwilling to wait for the voters' decision on Proposition 3, have taken the law into their own hands. They knew the attorney general had approved our assessor's method of valuation. That method had already resulted in a generous 42 per cent reduction of Wheelwright's assessment. But a 42 per cent reduction wasn't enough to satisfy our supervisors. They favored him with a 75 per cent reduction and publicly admitted that this was based not upon market value but reflected agricultural use only — a plain violation of the law.

Do our supervisors realize that when they allow assessed values to go below 23 per cent of market value, they jeopardize between $200,000 and $300,000 in state aid to our schools? Do they realize that tax relief given to large landholders inevitably encourages speculation in land—thus driving the price of land still higher? That is why park bond money seldom covers purchase of the land sought.

Are the taxpayers of Marin going to accept meekly this high-handed action of our board of supervisors, which forces us to pay higher taxes on our homes to make up for the lower taxes on agricultural land that is skyrocketing in value? I for one hereby pledge my vote to the person who will run for supervisor on the promise to obey the law and to resist giving tax favors to large landholders.

MARK TWAIN, in a reminiscent mood, told some boyhood friends, "The only time I ever got a licking was for telling the truth." Spoke up one of the friends, "Well, Sam, it sure cured you!"

When the laughter had died down, Twain said, "Here's something else for you aging codgers to chuckle over. I once told our pastor, 'I think I'd like to be cremated.' Know what he answered? 'Buck up, Samuel: I wouldn't worry about that.'"

Austin Slaughter Revives Talk Of Weapon Control Legislation

WASHINGTON (AP) — For years bills to put some kind of federal curbs on the sale of firearms, even though the proposed curbs were mild, have kicked around in Congress without final action.

Now the slaughter at Austin, Tex. — where an ex-Marine, Charles Joseph Whitman, killed 15 people and wounded 31 before he was shot to death by police — has aroused new interest in the legislation.

BUT THE pressures against it in the past have been strong and prevailed and may prevail again once the shock of these latest killings has passed.

Three months before President John F. Kennedy was assassinated by Lee Harvey Oswald in 1963, using a rifle bought by mail order, a firearms-curb bill was offered in Congress.

It got a lot of attention after Kennedy's death but wound up nowhere.

Last March President Johnson, sending a package of anti-crime proposals to Congress, asked particularly for legislation curbing the sale of firearms through the mails, including rifles and shotguns.

IN MAY A Senate subcommittee on juvenile delinquency by a 6-3 vote approved the kind of firearms bill Johnson wanted and then sent it to the full Senate Judiciary Committee for action. There it still sits.

Tuesday Johnson, shocked by what had happened in Austin Monday, urged Congress to do something about the curb on firearms, saying, "We must press urgently for a federal gun control law."

And Bill D. Moyers, White House press secretary, said Johnson will push for stronger legislation controlling the sale of guns than the bill approved in May by the juvenile delinquency subcommittee.

BUT NEITHER Johnson's urging nor the gigantic tragedy in Austin is going to snowball a firearms control bill through Congress. Already Sen. Roman L. Hruska, R-Neb., has said: It would be "deplorable to trade on the emotion generated by the sniper incident."

Among other things, the bill approved by the subcommittee would: Ban the interstate mail order sale of concealable firearms — pistols and revolvers — to individuals and regulate the interstate sale of sporting rifles and shotguns through an affidavit provision.

THIS WOULD require a person purchasing a rifle through the mail to give his name and address and swear he was not a criminal. Then his affidavit would be forwarded to the police in his community to check on him.

Sen. Thomas J. Dodd, D-Conn. chairman of the subcommittee, said the legislation had been subjected to "unreasonable" attacks by lobbying groups.

He said "something can and must be done to keep deadly weapons out of the hands of those individuals who through sickness, uncontrollable anger or overwhelming futility have no regard for human life.

"Those persons who say that anyone who wants a gun will get it somehow, may be right. But does it make sense that the mentally ill, the irresponsible, and the criminal should be able to obtain a potential murder weapon with no questions asked?"

Candidates Advised To Duck Cost Issue

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — Democratic congressional candidates are being advised to "slip, slide, or duck" in dealing with the high cost of living in the coming election campaign.

If their Republican opponents force them into a debate on the explosive issue, the Democrats are being told to take the side of the farmer — as he is better organized.

This politically opportunistic strategy is being urged by Agriculture Secretary Orville Freeman in the course of his strenuous effort to avert a farmers' revolt against the Johnson administration.

IN A TALK at a campaign school conducted by the Democratic National Committee, Freeman cautioned the more than a hundred congressional candidates to be very wary on how they handle the dynamite-loaded cost of living question.

"Slip, slide, and duck any questions of higher consumer prices if you possibly can," he counseled. "Don't get caught in a debate over higher prices between housewives and farmers. You can't win that one this year because prices are going to continue to rise."

When a candidate from the Midwest asked what he should do if his opponent persisted in raising the issue, Freeman replied:

"IF YOU MUST debate it and have to choose a side, take the farmer's side. It's the right side, and besides, housewives aren't nearly as well organized as farmers.

"You could tell the housewives that the percentage of each pay check that now goes for food is lower than in 1960,"

Freeman continued, "but we know they wouldn't buy that line. They would just get mad at you for suggesting that they are better off. That's human nature."

Freeman, who recently finished a tour of five Midwestern states, confirmed what White House polls have been showing for weeks—that there is deep and widespread resentment against the administration among growers.

"This opposition is far deeper and more bitter than I had anticipated," admitted Freeman. "Farmers hotly resent being told that they are partly to blame for the increased cost of living."

The Midwest candidates were promised administration help to overcome this strong anti-Democratic attitude.

"WE ARE GOING to try to increase wheat acreage allotments this fall and that is something farmers understand," Freeman explained. "Farmer income and farmer prospects are better under this administration than any other in years, but don't overstress that point because farmers do not like being told they're doing all right. They know they are a minority and are very sensitive about it."

To cope with the thorny Viet Nam war issue, Freeman outlined two alternatives to the Democratic congressional candidates.

"THE BEST APPROACH is to support the President's policy of firmness," he asserted. "If you don't feel you can go that far, you should at least endorse the President's efforts to obtain peace in Viet Nam through a negotiated settlement."

10 YEARS AGO

Telephone subscribers in the Loma Verde area near Ignacio complained to Pacific Telephone and Telegraph Co. that their telephone rates were too high.

The Marin County Real Estate Board moved into its new $80,000 headquarters at 251 West End Avenue, a ranch-style building with library, meeting room and offices.

Truel F. Tourtellotte, a member of the San Rafael Planning Commission for eight years, resigned and was succeeded by Charles J. Hendrickson.

Marin City's application for federal aid for redevelopment was rejected by the Urban Redevelopment Administration.

Marin County taxpayers were given a one-cent reduction in the county property tax rate as supervisors approved a rate of $2.50 per $100 assessed valuation.

Novato incorporation leader Fred M. Pechner announced he would make another effort to make a city out of the county's second largest community after failure to get the incorporation issue on the ballot.

20 YEARS AGO

Playing before the season's largest Marin County crowd, Fred DeMartini and the Sausalito Native Sons dumped the Mill Valley Merchants 8-0 at Boyle Park.

Mrs. Norman B. Livermore, acting president of the Marin Art and Garden Center, announced that sufficient funds have been raised to purchase the Kittle property on Sir Francis Drake Boulevard, opposite Ross City Hall, for the center.

The Gerstle home in the center of an 11-acre park in San Rafael, built in the 1860s or 70s, was slated to be demolished.

I-J REPORTER'S NOTEBOOK

By JOHN F. KEARNEY

From LSD For Lunch Bunch To Beverly Hills Of Marin

Sausalito has many things. It has a Verdigris Sea Lion, a pretty permanent picket and people with a tendency to think anyone north of Waldo Point wears woad.

But has it a million-dollar service built on the firm foundation of empty cartons, coffee dregs and broken bed springs?

Tamalpais Valley has — if I am to believe everything I write in the newspapers.

HONORING A YORKSHIRE-born instinct that "where there's muck there's money," I moved my home this week away from the influence of Sausalito's "LSD For Lunch Bunch" to an area I believe has a greater potential, Tamalpais Valley.

It only stands to reason. If someone files a damage suit for a million dollars against a common-or-garden sanitary district, then the Tamalpais Valley board must be worth a bundle more.

And some of that lettuce, if you pardon the expression, might eventually rub off on me.

Think of how much the people who actually make and provide the garbage must be worth. The senses boggle.

I WOULDN'T be at all surprised if Tamalpais Valley, given a few years, becomes the Beverley Hills of Marin.

Sheriff's deputies will patrol the streets, arresting anyone seen on foot.

The woods will ring with the joyous sound of fun people plunging fully clothed into pools brimming with champagne.

Spacious warehouses will be built to house the couches of consultant psychiatrists specialized in treating the amnesia of victims slugged by the local celebrity.

CHARTERED BUSES laden with sad, goggle-eyed tourists will cruise twice daily along Marin Avenue.

"Ladies and gentlemen, on our right is the palatial summer pad of Gale Bishel, former director of the sanitary district and now the president of 17 — no 18 — garbage companies.

"Parked beside the ornamental trash can we can just see his Rolls Royce with the family initials "GB" on the trunk."

There may also be room somewhere for a hall of fame dedicated to those law-abiding and conscientiously indignant citizens whose complaints began the whole surge upward.

The future of Tamalpais Valley has never looked brighter.

Sausalito, despite the rapid growth of its major source of income, parking meters, will never have a from-rags-to-riches story to compare.

Care to join me on the ground floor, anyone?

Planners Get A Third Map

The Marin Development Co. will again submit a tentative map for the Francisco Development on East Francisco Boulevard to the San Rafael Planning Commission tomorrow at 7:30 p.m. in the new City Hall.

The commission recommended denial of the development's initial map in April last year, and the council denied the map approval. A second map was submitted and received commission approval in June, 1965, but was denied by the council Aug. 2.

The commission will elect a vice chairman and will tour the new San Rafael City Hall.

Specialty Show Set For German Shepherds

The ninth annual specialty and obedience trial for German shepherd dogs will be held Sunday, Sept. 11, at Burgess Park in Menlo Park.

The trial will be sponsored by the German Shepherd Dog Fanciers of Northern California, Inc., a regional club of the German Shepherd Dog Club of America. The judging will start at 9 a.m. and continue until finished.

Gun Lovers Of America Meet . . . You There With The Bazcoka

"GENTLEMEN, THE meeting of the Gun Lovers of America will come to order. I called this gathering together because new pressure is being brought to bear to legislate against the possession and purchase of firearms."

"Do you mean they're trying to infringe on our Constitutional rights again?"

"Exactly. There are certain people in this country who would take away our God-given right to bear arms and defend ourselves against all enemies from without and within. They would have us apply for licenses if we wanted to buy guns of any kind."

"Does that mean bazookas and mortars, too?"

"Yes, and also hand grenades and flamethrowers and all other hunting weapons."

"But that would be imposing severe penalties on honest law-abiding citizens."

"THAT IS WHY I have called this meeting together. Does anyone have any suggestions?"

"I say we shoot anyone who comes out for such a law."

"I think that's too drastic a measure, and it also might turn public sentiment against us."

"What happened to the $50 million we spent in lobbying against the last gun-control law?"

"It's been almost all used up taking Senators and Congressmen to lunch. Our people in Washington inform me they need more funds if they're going to keep this un-American legislation from being passed."

"I say give it to them. I'd rather die than register my guns."

"Now, let's not get emotional, gentlemen. We all know that there are certain alien forces working behind the scenes to make it impossible for us to buy guns. They are being abetted by the police, the FBI, and other law enforcement agencies. It is up to us to convince the American people and Congress that the only ones who stand to gain by any gun-control are the Communists who would like to see us disarmed so they could take over this country. Would you please put down that tommy gun while I'm talking?"

"Sorry, I wasn't thinking."

"Mr. Chairman, what happened to our argument that it isn't the gun but the criminal who is responsible for crime in this country?"

"We've been using it, but the do-gooders and the nanby-pambies say it's too easy for anyone in this country to buy a gun, particularly by mail."

"Yeah, well, mail order is the heart of the free enterprise system. Besides a lot of gun stores don't stock automatic weapons and machine guns. What are we supposed to do? Go without them?"

"That's a good point. You there, waiving that German Luger, did you have anything to say?"

"I just wanted to say that I think we should have a march on Washington and we should all bring our guns with us in case anyone tries to stop us."

"A worthy suggestion and one we'll take under advisement. Now, in the meantime, I want everyone to write to his Senator and Congressman and warn him that if he votes for any gun legislation he will have to face the consequences. Are there any other questions? The man over there with the 20-mm. cannon?"

"How do you spell consequences?"

Baseball Outing Set For Handicapped

The recreation program for the handicapped of the Easter Seal Society is sponsoring a trip to the Giants baseball game Aug. 22 for interested handicapped teen-agers and young adults in Marin County.

Those who would enjoy watching the Giants beat the Cincinnati Reds should make their two dollar bus reservations through the Easter Seal Society. The bus will make pick ups at Marindale School, Terra Linda, at 11 a.m. and the Mill Valley Youth Center at 11:30 a.m.

Supervisors Will Hear Point Reyes Argument

Marin County Board of Supervisors tomorrow will hear an explanation from a member of the National Park Service on a proposal to zone by government ownership land within Point Reyes National Seashore.

The meeting is due to start at 9 a.m. with the park service presentation starting half an hour later.

Last week, Supervisor Peter H. Behr called for the full facts after criticising the proposal which appeared to take land away from the owners, remove it from the county's tax rolls and enable the service to gain revenue from its commercial use.

The service made its proposal known in Senate Interior Sub Committee hearings July 27.

Also due for consideration at 9:30 a.m. will be a suggestion by Supervisor Thomas T. Storer that ambulance services to West Marin be improved.

Among his proposals is that the county acquire an ambulance and base it at Point Reyes Station firehouse, where it could answer emergency calls more quickly than an ambulance from the east of the county.

Further discussion on the acquisition of land for the county airport is scheduled for 11:15 a.m. A report will be given on federal reimbursement.

A hearing into the Novato general plan is due at 1:30 p.m. And the supervisors will go into session as the Marin County Flood Control and Water Conservation District at 2 p.m.

Among the items for discussion will be the Arroya Corte Madera Del Presidio Creek project and an administration recommendation that aesthetic qualities be preserved.

A hearing into the Bear Creek planned community master plan is due to start at 3:30 p.m.

Rodef Sholom Elects Officers

Robert D. Slate of Greenbrae has been re-elected president of Congregation Rodef Sholom, 170 San Pedro Road, San Rafael, a reform temple of 380 families.

Other officers elected are Fred Kirschner, vice president; Dr. Jack Siegel, secretary; and Alan Fibish, treasurer.

Board members elected by the congregation are Leon Fish, Richard Breiner, Joe Dienstag, Dr. Morrie Mink and Paul Winton.

New Buildings Slated At National Seashore

Construction of three new visitor convenience buildings is to begin next Monday at Point Reyes National Seashore.

The U.S. Department of Interior announced that a building containing showers and dressing rooms at Drakes Bay, and comfort stations at the north and south entrances are scheduled to be completed by December. The sites will remain open to the public during construction.

'Sweet-Talk' Commissions Multiplying

State Sen. John F. McCarthy, R-San Rafael, charged Saturday that Gov. Edmund G. Brown has been taking power away from the legislature and giving it to "a seemingly endless array of commissions."

"To many of these agencies and commissions the legislators are merely nuisances to be avoided, sweet-talked, duped or blackjacked as the occasion demands," the senate minority leader told the 1966 California Republican State Convention in Sacramento.

McCarthy also charged that the judicial branch of state government is "panting after the power of the legislature." He said it appears "at times as if the esteemed justices are convinced that their duty is to enact laws rather than rule upon them."

McCarthy complained too that under Brown's administration California's tax rate has climbed "to the highest in the entire United States."

High School Student Signups Being Taken

New students living in the San Rafael High School District who did not enroll last Spring can enroll now for the coming school year, by telephoning the office for appointments.

Students in the district living south of Puerto Suello Hill will enroll at San Rafael High School. Students living north of the hill to Marinwood will enroll at Terra Linda High School.

Lawmakers Set Drugs Hearing

Narcotics and drug abuse will be the subject of a public hearing to be held this week in Los Angeles by the Assembly Committee on Criminal Procedure, committee chariman Pearce Young, D-Solano, announced today.

"The purpose of this hearing is to obtain information on the effectiveness of public and private programs for the treatment of addiction and other drug abuse," Young said.

The hearing will be held in Room 115 of the Old State Building in Los Angeles on Wednesday and Thursday, beginning at 10 a.m. both days.

Witnesses End Five-Day Meeting

SAN FRANCISCO (AP) — Some 61,800 Jehovah's Witnesses from eight Western states were on their way home today after the conclusion of a five-day assembly in San Francisco.

Main speaker at yesterday's meeting was Harry C. Good, a district supervisor of the religious sect, whose topic was "What Has God's Kingdom Been Doing Since 1914?"

The assembly was held in Candlestick Park while the San Francisco Giants baseball team was away on a road trip.

Today is Monday, Aug. 8, the 220th day of 1966 with 145 to follow.

The moon is between its full phase and last quarter; the morning stars are Mars, Venus, Jupiter and Saturn; there are no evening stars.

American editor Charles Dana was born on this day in 1819.

On this day in history:

In 1940, the German Luftwaffe began a series of daytime raids on the British Isles which were to continue until Oct. 31.

In 1945, President Harry Truman signed the ratification of the United Nations charter. Also in 1945, the Soviet Union declared war on Japan.

In 1950, Florence Chadwick of San Diego, Calif., set a women's record for swimming the English Channel, 13 hours, 28 minutes.

In 1963, a gang of masked bandits staged a mail train robbery in England, and made off with $7 million.

A thought for the day — German novelist Thomas Mann said: "Human reason needs only to will more strongly than fate, and she is fate. What is happening in the world today?"

TIME AND TIDE

Department of Commerce, United States Coast Geodetic Survey, Western District headquarters. Times and heights of tides at San Francisco (Golden Gate):

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Light-face type indicates a.m. times; bold-face type indicates p.m. times.

HOW TO PLAY

WINNING BRIDGE

By ALFRED SHEINWOLD

Only Handful Of Experts Know Bridge Editor's 20-Year-Old Play

"There is no such thing as a new play," Sonny Moyse remarked to me 20 years ago, "but I've never read anything about a play I made last night."

Moyse has been the editor of the Bridge World Magazine for all these years, but his play is still unknown except to a handful of experts.

When West opened the five of hearts, Moyse could see that South held all of the higher hearts—the A-10-7-6.

Which card should Moyse play from the East hand at the first trick?

'BOOK' PLAY

The "book" play is the jack of hearts.

South refuses the trick.

If East continues with the king of hearts, South holds off again.

East next leads a low heart, and South wins with the ten.

When South leads the diamonds, West can win the first diamond but cannot return a heart.

South wins any return and knocks out the ace of diamonds.

South gets back with the ace of hearts to take the rest.

If East wins the first diamond he can set up the hearts but can never get back to cash them.

South loses only two diamonds and two hearts either way.

LOOKS AHEAD

Moyse looked ahead to see all this and therefore played the eight of hearts at the first trick.

South had to win with the ten.

When South led a diamond West stepped up with the king of diamonds to lead his other heart.

This set up the rest of East's suit.

When East got in with the ace of diamonds he cashed the rest of the hearts to defeat the contract.

South has two sure heart tricks no matter how East defends.

East must prevent South from refusing the first trick so that West will be able to lead another heart when he wins the first diamond.

What do you say?

ANSWER: Bid one club.

If partner bids one heart, you can raise to two hearts.

If he bids anything else, you can bid one no-trump.

If you open with one heart and partner responds two clubs you will be reluctant to bid three clubs with only 14 points or two notrump with no stopper in diamonds.

Market Shuts Lower After Light Trading

NEW YORK (AP)— The stock market closed lower today, snapping last week's rally.

Trading was light.

The market shaved some of its loss in late trading.

Changes of key issues ranged from fractions to a point or so.

Aircrafts, electronics and airlines, which paced last week's advance, were weak, showing losses ranging up to 3 points.

Steels, which had been helped by a price boost for sheet metal products last week, were mixed with gains and losses of about half a point.

Volume for the day was estimated at 4.6 million shares, compared with 5.5 million Friday.

Here was the picture near the close:

Losses of key issues ranged from fractions to a point or more.

Permian appeared headed for the top of the day's most active list, closely followed by Sperry Rand.

Aircrafts, electronics and airlines, which were in the vanguard of last week's advance, paced the decline.

United Aircraft lost more than 2 points and Douglas was off more than a point. Zenith fell more than a point. Eastern Air Lines skidded more than 3 and American Airlines and United Air Lines were down more than a point.

Eastman Kodak fell 2 points, helping to pull down the averages.

Steels were mixed with U.S. Steel off about half a point and Jones & Laughlin up in the same range.

General Motors declined nearly 2 points and Chrysler dipped a half point.

Oldsmobile Sales

LANSING — With the sale of 15,715 new Oldsmobiles in July's final sales period, the division recorded a total sales figure for the month of 45,505 units.

For the first seven months of the calendar year, sales totaled 341,530. While this is 3.7 per cent below the similar period of record breaking 1965, sales are 10.9 per cent ahead for the model year so far — that is, October through July.

Kaiser Aluminum Agrees To Merge

NEW YORK (AP) — Southern Nitrogen Co., Inc. and Kaiser Aluminum and Chemical Corp. report they have agreed to a merger that would involve more than $40 million.

Southern Nitrogen, based in Savannah, Ga., is a basic producer of anhydrous ammonia and is a major manufacturer of mixed fertilizer materials.

Terms of the agreement call for Kaiser to exchange .074 of a share of new 4¾ per cent convertible preference stock of $100 par value and .4 share of common stock for each share of Southern Nitrogen common.

The merger is subject to approval of directors and stockholders of both companies.

Debs At Beach Party

SPLASHING INTO THE SURF

Clear skies and balmy breezes presented an irresistable invitation on Saturday as Marin debutantes splashed into the surf at the Eugene Whearys' summer home in Stinson Beach. From left are Nancy Donnell, Shelley Hill, Nancy Dickson, Constance Griffith, Licia Hayden, Ann Nicholson, Katie Royer and Nan Breidenstein, debs and their friends who enjoyed an informal barbecue at the luncheon and swimming party given for Anne Nicholson. (Independent-Journal photos by Dave Mayhew)

TUGGING AT SEAWEED during surfing and beach fun were, from left, Katie Royer, Ann Nicholson, Nancy Dickson and Nan Breidenstein. Co-hostess with Mrs. Eugene Wheary was her sister, Mrs. Robert Sherman.

Tiburon Nursery School Tots Turn Out To Be Real 'Lambs'

By BETTY FROST

Our eldest and youngest Tiburon residents have begun a dialogue that promises to develop into a rewarding communication on both sides.

Youngsters at the Little Lambs Nursery School in Tiburon were observed in their playground by a patient at the nearby Marin Convalescent and Rehabilitation Hospital. This lady's pleasure in watching the children prompted a generous gift. Mrs. Elizabeth Gibbs laboriously fashioned a little stuffed yellow dog, which she sent to the children.

THE TOTS, through their director, Mrs. Joy Crandall, of Tiburon, wrote a thank-you note. Then the children wanted to reciprocate with a generous gesture of their own. The day of our visit, they were making place mats, decorated with attractive nosegays of dried flowers, to be used on the trays of the patients.

The 26 youngsters enrolled in the summer session have a lot of other activities going. Mrs. Crandall, who spent three weeks in Hawaii this June, brought back some of the island songs with gestures which are proving lots of fun for the lively little ones. Mrs. Rose Chapman, teacher, who is expert in crafts, helped the young pupils fabricate hula skirts out of newspapers.

Quick-growing garlic is being nurtured in pots. Within two weeks it will be ready to become a pungent surprise for mother.

The 13 boys and girls in attendance Tuesdays and Thursdays are the younger age group, starting from two years, nine months, they go to old-timers of four years. Monday, Wednesday and Friday four and five year olds have pre-kindergarten preparation.

THE SCHOOL has its own "headstart project" with one child in a foster home who is benefitting by group activities at the private non-profit school. Another litle fellow speaks no English, but is learning to hold his own with his contemporaries in the supervised nursery sessions.

Summer session closed Friday at the school located in the Shepherd of the Hills Lutheran Church building. Regular sessions with a capacity of 54 students in two sessions begin in September.

Norman Dean of Tiburon is chairman of the board which administers the school.

"I'D RATHER BE a palm tree than a coconut," sing the children attending the Little Lambs Nursery School summer session in Tiburon, as they do a few impromptu steps in "grass skirts" they have made of newspapers. Their director, Mrs. Joy Crandall, right, had stayed in the Hawaiian Islands early this summer and finds that the children enjoy the island songs.

Patricia Charlton Exchanges Vows With Thomas Dunlap

St. John's Episcopal Church in Ross was the setting for the wedding of Patricia Charlton and Thomas Frederick Dunlap Saturday.

The single ring ceremony was performed by the Rev. Canon John Yaryan. Patricia was given in marriage by her stepfather, Victors Furst.

The full length bridal gown was white Alencon lace over peau de soie with a chapel train.

THE BRIDE'S sister, Victoria Furst was her maid of honor. Margaret O'Neil of Berkeley, Kathryn Scott of Ross, Margot Page of Washington, D.C., and Christine Allen of Glendale were bridesmaids. For the all-white wedding, the attendants wore floor length empire-styled gowns of white saki cloth, a blend of silk and wool.

Michael Krieger of Mill Valley was best man, while the bridegroom's brother, Errett Dunlap III, of Greenwich, Conn., K. Thomas Turnbull of Ardmore, Okla., P. Anthony Price, Palo Alto, and Robert Mohl, Berkeley, showed guests to their places.

THE GARDEN of the Ross home of the bride's parents, Mr. and Mrs. Victors Rabuske Furst, was the scene of the reception for 200 wedding guests.

Patricia is the granddaughter of Mr. and Mrs. Vern Winslow Burbank of San Francisco.

The bridegroom is the son of Mr. Errett Dunlap Jr. of Ardmore, Okla., and the late Mrs. Dunlap.

Patricia is a graduate of Katharine Branson School and the University of California. She was a 1962 Marin debutante. The bridegroom studied at Kent School in Kent, Conn., received his Bachelor of Science degree at the University of California, and is a graduate student at the University of Oklahoma.

The newlyweds will live in Noble, Okla.

Emily L. Burns Is Bride Of Donald Guttman

Members of two long-established Marin families were united in marriage when Emily Lindsay Burns of Kentfield became the bride of Donald Walton Guttman at noon rites Saturday at St. Paul's Episcopal Church, San Rafael.

The Rev. John Riley officiated at the single ring ceremony. The bride, daughter of Mrs. Archibald Burns, of Kentfield and the late Mr. Burns, was given in marriage by Bertrand Gothie, her cousin.

Lindy, as the bride is called, wore a long white silk organza gown with bell shape skirt, appliqued with peau d'ange lace and a chapel-length train.

MAID OF honor was Maria Massagli of Kentfield, with Judy Coy of Greenbrae, Susan Burns of San Rafael, and Mrs. John McGaughey of San Rafael, bridesmaids. All the attendants were attired in floor length maize silk crepe, styled in a modified empire line with bateau neckline and short sleeves.

Best man for his brother was Robert Guttman of San Rafael. James Morehouse of San Rafael, John McGaughey of San Rafael, and Bruce Fremming of San Francisco were the ushers.

THE BRIDE is the granddaughter of the late Mr. and Mrs. Arthur Heydenaber of Kentfield.

Donald is the son of Dr. Martin C. Guttman of San Rafael and the late Mrs. Guttman. He is the grandson of Mrs. Ralph Walton and the late Mr. Walton of Mill Valley.

A graduate of Redwood High School, the bride is a senior at Dominican College. Donald, who is a graduate of San Rafael High School and the University of California, is now studying at the University of California School of Dentistry in San Francisco where they will live.

Family, Parish Main Interests For Mothers' Guild President

Installed recently at a ceremony in Mission San Rafael Arcangel was Mrs. John Diego, the new president of the Saint Raphael's Mothers, Guild.

Julia (Sis) and her husband, a captain in the San Rafael Fire Dept., are the parents of seven children. Sis was born and reared in San Rafael and attended local schools, graduating from San Rafael High School. She has long been active in Saint Rafael's parish, concentrating on the young people. Both Sis and John worked with the Teen Club for many years.

She planned the recent wedding of her oldest daughter, Peggy, 19, who was being married on July 2 at Saint Raphael's Church. Her other children are Cindy, 18, who was graduated from San Rafael High on June 10, Jack, 16, Jim 15, both students at San Rafael High School; Doug, 13, Gary, 12, and Julie, 8 all students at Saint Raphael's School.

Other officers installed were Mesdames Elmo Peterlee, first vice president; Joseph Lydon, second vice president; Bruce Bales, recording secretary; Francis O'Callaghan, corresponding secretary; James DuBois, financial secretary; Geno Soldavini, treasurer and Angelo Colombo, parliamentarian.

HELEN HELP US!

By HELEN BOTTEL

Three Kids Love Mom But Wish They Could Cure Her Of Saving

DEAR HELEN:

All three of us kids love our Mom but we wish we could cure her of saving everything.

We have three bedrooms and two are completely full of junk. She saves every newspaper, all the old clothes from years back, magazines; you can look in there and find stuff dating back to 1930 and before. It's piled clear to the ceiling; my brother has to make a path through the room to his bed.

We can't even throw one can full of trash away unless she sifts through it. She's afraid some important papers are in there, or something valuable, even if there's nothing but cigarette butts and garbage.

We all try to clean the house, but it is just hopeless. To throw away anything, we have to make sure she is gone, and then take it to our neighbor's trash can.

Our house almost bursts with clutter and it gets worse by the day. I have a 23-year-old sister who wants to fix up the house, but how can she when we can't even get to the floor or walls because of junk? Help!—**HOPELESS.**

DEAR HOPELESS:

Compulsive hoarders need expert help. They can perhaps be cured by psychiatry.

Problem is: Making your mother realize she's got a problem. The combined efforts of the whole family may do the trick. Hope so.—**H.**

DEAR HELEN:

Many times you have articles giving addresses where people may acquire pen pals.

But did they ever think that having a tape-pal is so much more interesting and not too expensive because tapes can be erased and used over and over?

You can actually hear the person corresponding with you and it brings him or her so much closer.

Why not tell your readers to pin this address up and save it: Global Tape Recording Exchange, Box 336, Wayne, N.J., 07470.

DEAR HELEN:

All that "Almost Convinced" should do about the ouija board believers is to ask the board how it gets its information, and if it lies.

Mine confessed to lying.—**OUIJA BOARD OWNER**

DEAR HELEN:

We asked our ouija board what was making it work, and it answered "The Devil." So I gave it away.—**UNBELIEVER BUT NOT TAKING CHANCES**

DEAR HELEN:

Ouija boards work just as "table tapping" works: By subconscious hypnosis. When two or more people concentrate on making a board or table move, they bring pressure to it with their hands simply because they are thinking so hard. And once the thing starts to move, it's awfully easy to subconsciously make it go where the strongest one wants it to go.

I'm not saying there's a "joker" in the crowd, because even the strongest one doesn't realize he's the "force." Really, group hypnosis is the only explanation . . . or ESP?—**RATIONAL**

DEAR HELEN:

I am a boy of 14 and my life is miserable. My grades are very poor. The more my parents get after me the worse they get, though I try hard. They take away all my privileges, like TV, movies, etc., and now they have stopped my singing lessons so I can concentrate on studying this summer. The only thing I ever wanted to do was sing, and I do have talent for it.

My parents say if I don't buckle down I'll become a hood. How could I? I don't have one friend. I don't get along with my folks, I'm not close to my brothers. I am so alone it's unbelievable. Is there any hope?—**B.S.R.**

DEAR B:

There's hope, if your parents recognize the danger signals. You don't need a tutor as much as you need an understanding adult friend who can persuade them a few sessions at the Child Guidance Clinic might change your life—**H.**

This column is dedicated to family living, so if you're having kid trouble or just plain trouble, let Helen Help You. She will also welcome your own amusing experiences. Address Helen Bottel in care of the Independent-Journal.

MRS. FRANK TESSIN

North Bay Council Head A Sports Fan

A graduate of Oklahoma State University with a degree in child development, Mrs. Frank Tessin of Kentfield has been elected president of North Bay Council, Children's Home Society of California.

During her five-year membership, Evelyn Tessin has been president of Peter Pan chapter, recording secretary, publicity chairman and parliamentarian. She and her staff worked on a recent Northgate fashion luncheon given at the Marin Art and Garden Center in Ross.

Evelyn and her husband, who is San Francisco manager of the Golden West Broadcaster's sales organization, have lived in Marin 11 years. They are the parents of Kathryn, 12, and Michael,10.

Aside from her interest in golfing and bowling, Mrs. Tessin is an avid sports fan of both the Giants and Little League teams.

Serving with Mrs. Tessin will be Mesdames Chester MacPhee, vice president; James Hurley, recording secretary; Jay W. Deaton, corresponding secretary; and C. C. Bunds, treasurer.

Hardy Moonlighters

NEW YORK (UPI) — When historians write the saga of the contemporary American breadwinner, they are going to have to reserve a place for hardy humans who hold down more than one job, says the Institute of Life Insurance.

They are the moonlighters, but the institute said that's the wrong term since most multiple job holders work their second jobs during daylight hours.

Summer Clothes Turn Up In Winter Parade

PARIS (UPI) —Summer clothes keep turning up in the winter fashion parade.

Captain Edward Molyneux included several dreses for hot climates in his new collection, calling it "all continents" — breaking the tradition of showing two collections, spring-summer and fall-winter.

Designer Antonio Castillo did the same in his show for customers who flit from London to Cairo in this jet age. Designer Pierre Cardin also has proposed that the Paris couturiers present collections only once a year instead of twice, and show both warm and cool clothing.

Such a program not only would save money for some of the dying high fashion salons, but, as Molyneux pointed out, his clients are worldwide and the weather is not the same in Oslo, Norway, as in Sydney, Australia.

For Summer Care

NEW YORK (UPI) — Give hair special care in summer when sand, sun, water and wind can turn silken glory into a nest of straw.

One suggestion: An ounce of prevention. Give the hair baby oil treatments at two week intervals. Warm the baby oil, apply to hair which has been divided into sections, and massage thoroughly. Wrap hair in hot towels for 15 minutes, then shampoo.

Emile Bedecarrax Married At Ceremony In Menlo Park

At a double ring ceremony in Menlo Park, Edmund Emile Bedecarrax of Mill Valley claimed Barbara Rae Finley of Mountain View as his bride. The wedding was held at the Church of the Nativity at two o'clock Saturday.

Wearing a full length white organza gown, styled in the empire line, with lace detail on gown and chapel train, the bride was escorted to the altar by her father, Robert E. Finley of Mountain View.

Eileen Bates was maid of honor. The bride's sisters, Margaret Schilling and Kathryn Finley, and the bridegroom's sister, Jean Bedecarrax were bridesmaids. The attendants wore long pink organza dresses, with white lace trim.

Steve Solomon was best man, with Cardell Koland, James Martinoni and Scott Finley, ushers.

A garden reception was given at the home of friends in Los Altos.

Edmund is the son of Mrs. Rose Bedecarrax of Mill Valley, and the grandson of Mrs. Josephine Bedecarrax of Mill Valley.

Barbara is the daughter of Mr. and Mrs. Robert E. Finley. She is the sister of Margaret Schilling, Kathryn Scott and Jon Finley. She is a graduate of Los Altos High School, Foothill College and the University of California.

The bridegroom was graduated from Tamalpais High School, and the University of California. He is studying for his Master's degree at San Jose State College.

The couple will live in Sunnyvale.

FINISHING TOUCHES FOR FAIR

Mrs. Edna Opp (left), Inverness Garden Club president, and Mrs. D.D. Dwyer (right) put the finishing touches on a model of the old Inverness grocery store in preparation for the Aug. 13 and 14 Inverness Fair as Patty Paulson (center) relaxes. Theme of the fair, which will be held at St. Columbia Church, is "Old Time Inverness." It will feature models of Inverness landmarks more than half a century old. Mrs. Dwyer is chairman of the Garden Club's fair exhibit and Miss Paulson designed the symbol for the fair—a rag doll.

Two Rezoning Proposals Due Tonight

The Novato Planning Commission will consider rezoning from Planned Residential to Commercial six and a half acres at the west side of Redwood Boulevard when it meets at 8 p.m. today in the Novato Community House.

The Scottsdale Co. is asking for the rezoning as a change in the master plan of the Scottsdale development.

The commission will also consider rezoning four and a half acres on the east side of Alameda Del Prado south of Alameda De La Loma from Planned Residential to Multiple Family.

Schuman Chevrolet Co. is asking for a 270 square foot nonilluminated sign on the face of theirf building and a 78 square foot free standing illuminated sign, plus the landscaping plan for its building west of Highway 101 opposite Lamont Avenue.

Kaehler Construction Co. wants to divide three lots in Forest Park Unit 8 into four lots in that subdivision. The same company wants to divide one lot in Forest Park Unit 6 into three lots.

The Green Rock Pheasant Club is asking for a use permit for a private pheasant club on 575 acres south of Olive Avenue in the Deer Island area.

Shell Oil Co. is asking for architectural supervision for remodeling its service station at Olive Avenue and Highway 101, and for architectural supervision and a freestanding sign for a proposed station at Highway 101 and De Long Avenue.

U.S. Lunar Spacecraft To Be Fired

CAPE KENNEDY, Fla. (AP) — The United States plans to launch a Lunar Orbiter spacecraft tomorrow toward an orbit about the moon to transmit pictures of nine potential astronaut landing areas.

One of the areas is in the Ocean of Storms where Surveyor 1 landed in June and transmitted 11,237 pictures.

The National Aeronautics and Space Administration hopes Lunar Orbiter will obtain pictures of Surveyor and its surrounding terrain.

An Atlas-Agena rocket is to hurl the 850-pound craft skyward in a period between 11:07 a.m. and 3:43 p.m. EST tomorrow. After a 90-hour, quarter-million-mile journey, a retrorocket is to slow Lunar Orbiter so that it will be caught in the moon's gravitational field.

Organist Taylor Is Mature, Dextrous

By MAYBELLE SPECKMANN

It was evident after his first number Saturday evening that Marin's gifted young organist, Russell Taylor, is well on his way to becoming a master performer on that most difficult of instruments.

Gratified surprise at its mature level was the outstanding impression left by the concert of baroque and contemporary works played on the magnificent Leonard William Buck memorial organ at the First Presbyterian Church in San Anselmo.

It had been several years since we had heard Russell, now a junior at the University of California at Santa Barbara. We have followed his career with interest ever since he was winner of as Marin Music Chest scholarship.

We preferred the baroque selections during the first part of the program, which consisted of a prelude, fugue and chaconne by Buxtehude, and three chorales from the "Orgelbuchlein" and the Prelude (Fantasy) In A Minor by J. S. Bach.

In these, Russell demonstrated the full measure of his technical dexterity in the strength and perfect independence of each finger necessary to make inner voices sing clearly, as in the subtle "I Call To The Lord Jesus Christ" chorale and the lovely "He Who Will Suffer God To Guide Him" chorale, as well as in the powerful Bravura Prelude in A Minor.

In the last three contemporary works, there was a pleasing variety of style. This ranged from "Cortege Et Litanie," starting with a quiet, worshipful theme and building to a brilliant climax, through the lyrical "Aria" by Flor Peeters, to the "Te Deum" of Jean Langlais. The last number required the full resources of the instrument.

Registration throughout the concert was artfully chosen in tonal color to bring out the essential character of each number.

Once again, Marin Music Chest leaders, as well as Russell's former teacher, Wilbur Russell, must have had great satisfaction in seeing another promising young Marin musician fulfilling faith in his potentialities.

Two Cousins Shot, Bodies Put In Car

FORT WORTH, Tex. (AP) — Two teen-age cousins were found shot to death and stuffed into the trunk of a car near Fort Worth Sunday, and police pressed a search today for a 16-year-old girl friend of one of the boys.

Asst. Dist. Atty. Grady Hight said he had learned the girl had been raped and murdered and that her body was in the vicinity of Fort Worth. He did not disclose the source of the information.

TWO ARRESTED

Central Texas officers arrested two young men late Sunday and charged them with what Hight said were sexually motivated slayings.

Murder complaints were filed against Roy Green, 18, and Kenneth McDuff, 20, both from the Marlin, Tex. area. Hight said rape charges also would be filed.

The multiple murder was the second case of Texas violence within a week occurring less than a week after campus sniper Charles J. Whitman killed or fatally wounded 17 at the University of Texas in Austin. Whitman was killed by policemen.

Robert Brand, 17, of nearby Alvarado, and his cousin, Mark Dunnam, 16, of Tarzana, Calif., were the Saturday slaying victims.

BODIES IN TRUNK

Brand was the son of Mr. and Mrs. Jack Brand and Dunnam the son of Mr. and Mrs. Jack E. Dunnam.

The bodies, punctured by multiple bullet wounds, were squeezed into the trunk of the Brand family car which had been abandoned on a lonely country road off U.S. 81 south of Fort Worth.

Investigators then ordered a widespread search for Edna Louise Sullivan, 16, of suburban Everman, who had accompanied young Brand and his cousin on a movie date Saturday night.

The slender brown-haired girl is daughter of Mr. and Mrs. E. R. Hughes.

Costumed Winners Stroll In Fair

Fellowship award winners from the cast of the Marin Shakespeare Festival will stroll around the Village Fair in Sausalito Sunday in costume during a salute to the festival by the Village Fair proprietors.

Award winners are Tranquil Hudson, Ian Franckenstein, Jerry Kay, Alan Griffin, Jack Powell, Valda Claire, Dick Matthews, and Sandra Eggenberger.

Head Injury

Stephen B. Ford, 20, of 1630 Grand Avenue, San Rafael was admitted to Marin General Hospital yesterday with a head injury after he reportedly slipped and hit his head on a shelf at Charlie's Market, 1701 Fourth Street, San Rafael. He was listed in good condition today.

Boat Collision Hearing Given A High Priority

The Coast Guard will take testimony this week from witnesses to Thursday's boat collision in Racoon Strait that killed one elderly fisherman and sent his companion to the hospital for two days.

Lt. Steven Levine of the Coast Guard's marine investigation section has been assigned to the case, which has been given a high priority.

Levine said the fatal accident case would be moved ahead of others on the docket, "because of public concern" over this kind of incident.

Killed was Matteo Pacini, 68. Injured was his fellow San Franciscan, Pedro Orosco, 65.

They were in a 15-foot outboard motor boat off Tiburon when hit by a 27-foot cabin cruiser piloted by Tsumotu Ishisaki of San Francisco, according to the Coast Guard. Also aboard the cruiser, the Coast Guard said, was its owner, Lit Ng of Salinas.

Witnesses have said the cruiser was travelling at 25 knots through the strait.

Larkspur School Budget Up $120,728 As Adopted

Larkspur School District trustees last night adopted a $1,460,013 budget for fiscal 1967, an increase of $120,728 over last year's budget of $1,339,285.

The adopted budget will mean no change in the district's present tax rate of $3.38 per $100 assessed valuation, according to Business Mgr. Gilbert Slusher.

Slusher originally based his budget on an estimated five and one-quarter per cent increase in the district assessed valuation and predicted an eight cent drop in the tax rate. The rise in assessed valuation was later found to be only 2.1 per cent.

Larkspur trustees also:

1. Accepted the retirement of Mrs. Beatrice Johnson, who has been a first grade teacher at Larkspur-Corte Madera school for 15 years.

2. Hired Marlene S. Posner to replace Mrs. Johnson at an annual salary of $6,310.

3. Accepted the resignation of Gonzales Mendolla, a custodian at Henry C. Hall school, and hired John Rogers to replace him at $420 a month.

John R. Cunningham and Curtis P. Kamai were absent.

Artist Will Speak On Color Importance

Artist Helen V. Kanek, whose work is currently on exhibit at the Chan Metaphysical Book Store, 918 "C" Street, will speak on the topic "Put a Little Color in Your Life" Wednesday during a 2 p.m. tea at the San Rafael shop.

Mrs. Danek, who holds a master's degree in art from San Francisco State College, believes color is the key "to understanding oneself and others."

Stolen Purse In Mail Box

A postman going through a mailbox in the Corte Madera Shopping Center Saturday afternoon found a purse which had been stolen from a woman in the center the day before, police reported.

Officers traced the purse through a sales slip in it and returned it to Susi Rouas of 196 Birch Avenue, Corte Madera. She said the purse was stolen from her the day before and contained $30. When found in the mailbox, police said, the purse contained only $1.03.

The woman said she did not report the theft Friday because she was too upset, officers reported.

Man Burned In Throwing Drapes Out

A Novato man suffered first and second degree burns and a cut on his left hand when he threw burning drapes out of his bedroom window in a fire which did $1,500 damage to his home last night.

M/Sgt. Roy Bolton of 7 Nova Lane awoke at 9:21 p.m. to find his bedroom filled with smoke and the drapes beside the bed on fire. He threw the burning drapes out the window and called the fire department.

Asst. Chief James Kidder said the fire apparently started from a cigarette. It burned a night stand, the bed and drapes. The bedroom and rest of the house sustained considerable smoke damage, Kidder said.

Bolton was treated at Hamilton Air Force Base hospital for the cut and burns.

Trustee Vacations Cuts Board Meeting

Mill Valley Elementary School Board will not meet tonight as scheduled, because a majority of the trustees are on vacation.

District administrators will hold a meeting for parents wishing to send their children to Richardson Bay School tomorrow at 8 p.m. at Edna Maguire School. Next meeting of the board will be Sept. 12.

Bolinas Lagoon Plans Considered

The Marin County Parks and Recreation Commission Wednesday will discuss the future for recreation and open space around Bolinas Lagoon, control of the litter problem in the county and funding of recreation and park development.

The meeting will begin at 2 p.m. at the Civic Center.

The funding problem was assigned to a three-man committee last month for study. Its first report is expected Wednesday.

Four Lads Held In Coin Theft

Four 15-year-old Mill Valley boys were cited into Juvenile Hall Saturday afternoon on charges of stealing $167 in change from the home of Manual D. Gomez, 311 Molino Avenue.

Police credited the arrest to the sharp eyes of a boy who saw two of the suspects deposit a large bag of change in a local bank Friday afternoon.

Gomes reported the theft to Mill Valley police Saturday morning when he discovered the money was missing from two boxes he kept on a bookshelf in his closet. He and his family were away Friday.

A fifth boy was being sought today.

The house was entered through an unlocked garage door, police said. Of the stolen coins, $90 has been recovered, police reported. Some of the money was used to buy food and clothing, they said.

LONER'S JOURNEY

Winding Trail Starts On Six Dollars, Horse

By CAROL MARSH

Six horses and three months ago Al LeGate left Mexicali, Mexico with $6, bound for Vancouver, British Columbia on horseback.

His trek from the southern to the northern border of the United States might be reckoned at about 1,000 miles as the crow flies, but there's no calculating the winding mileage racked up by the horseman from Inglewood in Los Angeles County.

LeGate, weatherbeaten and possessed of the alertness of a man whose life is spent outdoors, looks a decade younger than his 50 years. Once married, but with no family now to hurry him home, he can set his own pace on the trip.

ON THE TRAIL

He planned to be in British Columbia this month, but he had only made it as far as Marin this weekend, and expects now that he will be on the trail for another three months.

"On the trail" is the key phrase. LeGate is making the trip to publicize the need for riding trails on the West Coast, and hopes to inspire horsemen along the way to "organize" to establish trails. As for his success, he said he had received a lot of publicity along the way, "but I haven't looked behind me so I don't know whether the horsemen are doing anything," he said.

TELEPHONE ONSWERERS

He crossed the Golden Gate Bridge Thursday, having quickly given up the hope of riding across on his horse. He called Gov. Edmund G. Brown's office, "where I talked to one of his telephone-answerers," and was told that the governor had no authority to let him cross the bridge on a horse. He called the bridge authorities and was given a flat "no." "I didn't have time to fight it, so I trailered the horse across," he said.

He had originally hoped to be accompanied by riders along the way, but with the exception of two men who rode with him the first 80 miles of his trip, he has been riding alone.

He had also planned to make accommodations and to map out his way in advance, but that did not work out either, so he is "playing it by ear. I ride until the sun goes down, then I look for a place to sleep," he explained. His first night in Marin he slept in a horse arena in Mill Valley.

TWO-DAY STRETCH

Ranchers along the way provide food for the horse or horses, and sometimes feed him as well, he said. There was one two-day stretch that he went completely without eating, but feels he has been rather lucky so far.

Friday he rode across Mount Tamalpais, with two Mill Valley girls as volunteer guides. Crystal Baker of 61 Lomita Drive and Mona Stoumen of 21 Lomita Drive met him when they rode up to the arena where he had spent the night, just as he was getting ready to hit the trail. They offered to ride with him and show him the way.

He spent Friday night at James Faulk's home in San Geronimo, and Saturday morning he attended a breakfast in his honor at the home of Mr. and Mrs. Jesse Joyce of Forest Knolls, who had invited about 30 northern California horsemen down to help pave LeGate's way through California.

SIXTH HORSE

He spent the afternoon at Rancho Nicasio, and planned to ride on to Petaluma Sunday.

He is riding his sixth horse and leading the seventh since his ride started May 1. He acquires horses along the way from private owners, who let him ride the horses to break and train them, then pick the horses up in trailers farther along the trail.

He has had good luck with all but one of the horses, he said. In San Luis Obispo his horse threw him and he suffered two broken ribs. But he was back on the trail two days later.

Aside from publicizing the need for trails, the ride is its own purpose, he said. He lives by free-lance writing for horsemen's magazines and by training horses, so the ride fits well into his normal life. "I've seen a lot of beautiful country, mountains and deserts, but the people I've met are everything," he said.

Vandals With B-B Guns Break Windows In Novato

Vandals went through the Domingo Canyon and Ignacio Boulevard areas of Novato yesterday shooting a B-B gun, hurling rocks and leaving a trail of $820 in broken windows.

Greatest amount of damage reported was done to three houses under construction in Domingo Canyon where nine sliding glass doors and seven windows valued at $465 were broken, according to Novato police.

The time was set between 6 p.m. Saturday and 8 a.m. yesterday.

Carl Edward Niedermeier of 240 Marin Oaks Drive reported to police that four sliding glass doors valued at $160 were broken by B-B pellets at his house Saturday night or yesterday morning.

Paul I. Nelson of 135 Kaden Street reported three windows valued at $60 broken at 945 Ignacio Boulevard.

A four by eight foot pane of glass in the cafeteria at Pacheco School, worth $135, also was broken, police said.

Rock Murder Trial Opens After Ruling

Richard Rock of Mill Valley went on trial today in San Francisco Superior Court for the murder of painters' union leader Dow Wilson. A last-minute attempt to disqualify Judge Norman Elkington failed.

Rock, 33, owner of the Square Chair bar in San Francisco, made a motion through attorneys George T. Davis to disqualify Judge Elkington late Friday. The District Court of Appeals denied the motion this morning.

On trial with Rock are three others: Norman Call and Max Ward, both 46 and both employer trustees of the Painters Union welfare fund in Sacramento, and Carl M. Black 47. Besides being an Oakland accountant and auditor for the union, he is Rock's brother-in-law.

A fifth man is under indictment as a member of the alleged murder conspiracy, but a motion for dismissal on grounds of insufficient evidence is pending before the appeals court. He is Clyde Simmonds, 75, a Sacramento painting contractor.

The state will attempt to prove that Wilson, 47, militant leader of the Painters' San Francisco local, was killed outside the San Francisco Labor Temple April 5 for criticizing loans made by the Sacramento welfare fund.

Black, Call and Ward have said nothing since their arrests May 11, except to plead innocent to charges of murder and conspiracy.

Rock, who lives with his wife Cathy and four children at 230 Del Casa Drive, Mill Valley, has publicly protested his innocence both in and out of court.

The trial which began today is the first in San Francisco held under new rules laid down by the U. S. Supreme Court in its decision reversing the convictions of Billie Sol Estes and Dr. Sam Sheppard. The court held that they were deprived of their right to trial by an impartial jury because of undue publicity during their trials.

Judge Elkington has upheld the right of news media to report everything that goes on before the jury, but has cautioned all attorneys and witnesses against making out-of-court statements.

Prison Buddy Aid May Not Be Helpful

The prison buddy who pulled a knife out of the back of San Quentin inmate Harry Luckett when he was found stabbed Saturday may not have been doing a friendly thing after all.

Associate Warden James W. L. Park said today: "In any stabbing case the medical people think it is safer to leave the knife where it is. Pulling it out can often do more damage."

Luckett, 40, continued in good condition in the prison hospital where he was taken after being found wandering about the building with a file, fashioned like a knife, embedded in him.

Park said today that guards were continuing to question a prime suspect, whose name he declined to disclose. If sufficient evidence is found, he said, the man will go before a disciplinary committee either tomorrow or some future Tuesday.

A convicted forger, Luckett was serving a five-year-to-life sentence.

Cyclist Injured In Collision

A 19-year-old Fairfax motorcyclist suffered a scalp cut and possible further injuries in a truck-cycle collision in the 200 block of Forrest Avenue, Fairfax, at 10:53 a.m. yeeterday.

The victim, William C. Bingham of 2378 Sir Francis Drake Boulevard, was taken to Marin General Hospital where he was reported in good condition today.

Police said that an eastbound truck driven by Rufus B. Alwin, 17, of 33 Van Ripper Court, Sleepy Hollow, collided with Bingham's westbound cycle on a curve.

Two Marinites Elected To Toastmaster Posts

Two Marin County men were elected to positions in the Toastmasters Club at the thirty-fifth annual convention of the organization in San Diego last week.

Lothar N. Salin of 15 Ross Street, San Rafael, was chosen senior vice-president of Toastmasters International from among 1,000 delegates from 50 states and foreign countries who met for the three-day gathering.

Douglas K. McVae of 629 Blackberry Lane, San Rafael, was elected governor of District 57 of Toastmasters International.

Salin previously served as vice-president for education, vice-president for organization, member of the board of directors, and founding governor of District 57 of the world-wide speech organization.

LOTHAR N. SALIN
Toastmasters vice-president

The new senior vice-president is president of Salin Printing and Advertising in San Rafael. McVae is a senior engineer with the Pacific Telephone and Telegraph Co. in San Francisco.

Soft-Spoken Robber Holds Manager, Wife Prisoner

A soft-spoken but nervous gunman held a San Rafael motel manager and his wife prisoner for 45 minutes last night before he was satisfied he had forced them to turn over all the money in the place.

Held up at their Monte Mar Motel at 855 Francisco Boulevard were Peter H. and Raquel Fruge. The tall, slender gunman got away with $100 of their money and $331 in motel receipts.

Mrs. Fruge was taking a nap in their bedroom and her husband was in the living room when the gunman entered their quarters at about 7 p.m. and forced him at gunpoint into the adjoining office.

Mrs. Frouge said she heard her husband arguing with someone and, going to the office, saw her husband on his hands and knees on the floor. She asked him, "Are you sick, honey?"

The man nudged her with the gun and said, "This is a holdup. I'm hungry."

She said that he was "polite and soft-spoken" throughout the robbery, but that "he was very nervous and you could see that he would shoot at the drop of a hat."

After getting their money and that of the motel, the man prowled the office and the Fruges living quarters, unwilling to believe there was no safe to force.

When finally convinced by the Fruges that he had taken all there was, he left, ordering them to remain quiet for 15 minutes. Mrs. Fruge said that after about 5 minutes, they called police.

Lance To Speak

Stanley L. Lance of Santa Rosa, district governor of Rotary International District 513, will address the San Rafael Rotary Club next Monday noon. Lance is official representative of 58 Rotary Clubs from San Francisco to the Oregon border and has been a member of the organization since 1947.

Playground Activities At Sun Valley Ended

Playground activities at Sun Valley School, supervised by the San Rafael Parks and Recreation Department, were ended today—four days earlier than expected—because of poor attendance.

All other playground activities throughout the area will continue until Friday.

Child Killer's Execution Again Stayed

A convicted child killer today received a stay of execution for the second time — 10 days before he was to take the last walk to San Quentin's gas chamber.

Prison authorities received a telephone call postponing the execution of Earnest Leroy Jacobson, 36, set for Aug. 17, and that of a second inmate, Dorman Fred Talbot Jr., 26, set for Sept. 14.

DROWNED DAUGHTER

Jacobson, convicted in Los Angeles for the 1964 murder by drowning of the 2-year-old daughter of his common law wife, had previously been scheduled to die last January. This was stayed pending a decision on his petition for write of certiorari.

That petition was denied early last month.

Associate Warden James W. L. Park said today the prison was awaiting confirmation to discover the grounds for the second stay of execution to come from the U. S. Supreme Court.

HAMMER SLAYING

Talbot was convicted alst year in the hammer slaying and knife slaying in Ventura County of Michael Bartholomew, 20.

Two death dates now remain on the prison roster. Edmund Earl Reeves, convicted of murdering an oil field laborer in Kern County last year, is due to die Oct. 11. Robert Page Anderson was sentenced to die Oct. 26 for the slaying of a San Diego pawnshop employee.

California has not had a legal execution since Jan. 23, 1963.

Marin Soldiers End Staff School Training

Four Marin residents Saturday completed the final two week phase of the Army's School Associate Command and General Staff Course at Fort Leavenworth, Kansas, active duty training of the Army Reserves.

The staff and faculty for the course were from the Oakland Reserve School. Marin staff members faculty, and students included: Pvt. Lucas K. Kiers, 2348 Mar East, Tiburon; Lt. Col. Fred W. Onick, 1 Cheyenne Way, and Major Curtis P. Kamai, 33 El Camino Drive, Corte Madera; and Lt. Col. Jack E. Shekell, 170 Via Lerida, San Rafael.

★ LADY OF SPAIN
The early Spanish Dons appreciated the cool comfort and beauty of tile roofs and stucco exteriors. Re-created here in San Rafael, this two-story, 4 bedroom plus maid's room "casa hermosa" captures again this Early California charm. A delightful blend of high ceilings, spacious room & liberal use of wood. A miles-away view yet two blocks to downtown conveniences. Modern all electric kitchen with plenty of storage. Full basement including two-car garage, workshop area, and storage room.

NOTICE OF CONSERVATORS SALE OF REAL PROPERTY AT PRIVATE SALE
No. 14625

In the Superior Court of the State of California in and for the County of Marin.

In the Matter of the Conservatorship of the Person and Estate of BERNARD WALTER, Conservatee.

NOTICE IS HEREBY GIVEN that LEONARD A. WALTER, as Conservator of the person and estate of BERNARD WALTER, a Conservatee, will sell at private sale, to the highest and best bidder, under the terms and conditions hereinafter mentioned, and subject to confirmation by the Superior Court, on Friday, August 12, 1966, at the hour of 10:00 a.m. or thereafter within the time allotted by law, at the office of BAGSHAW, MARTINELLI, WEISSICH & JORDAN, Attorneys for said Conservator, at Suite 329, 1010 B Street, San Rafael, California, all the right, title, interest and estate of said Conservatee in and to the real property situated in the County of Marin, State of California, commonly known as 185 and 189 Ranchitos Road, and 5, 8 and 9 Walter Place, San Rafael, and more particularly described as follows:

BEGINNING at a point in the Western line of that certain parcel of land described in the Deed to Bernard Walter and wife, recorded January 4, 1951 in Book 679 of Official Records at Page 70, which said point bears South 56° 34' 30" West, 330.451 feet and North 7° 57' West 287.39 feet from the Southeastern corner of that certain parcel of land described in the Deed to John A. Brazil, recorded December 27, 1945, in Book 501 of Official Records, at Page 184, thence from said point of beginning, along the exterior lines of said Brazil parcel North 7° 57' West, 219.221 feet, North 71° 03' East, 264.004 feet and South 15° 45' East, 231.929 feet to the Northeastern corner of that certain parcel of land described in the deed to The Roman Catholic Archbishop of San Francisco, a corporaton sole, recorded October 18, 1963, in Book 1740 of Official Records at Page 422; thence along the Northeastern line of said last mentioned parcel, South 74° 15' 00" West 293.34 feet to the point of beginning. Subject to Current taxes, covenants, conditions, restrictions, reservations, rights, rights-of-way, easements, and existing encumbrances of record.

The terms and conditions of sale are: Cash in lawful money of the United States of America or part cash and part credit, the terms of such credit to be acceptable to the Conservator and to the Court. Ten Percent (10%) of the amount bid to accompany the offer and the balance to be paid on confirmation of sale by Court. Taxes, rents, operating and maintenance expenses, and premiums on insurance acceptable to the purchaser shall be prorated as of the date of confirmation of sale or of recording of the conveyance. Examination of title, recording of conveyance, and any title insurance policy shall be at the expense of the purchaser.

All bids and offers must be in writing and will be received at the office of BAGSHAW, MARTINELLI, WEISSICH & JORDAN, Attorneys for said Conservator, at Suite 329, 1010 B Street, San Rafael, California, at any time after the first publication of this notice and before the making of said sale.

For further information, apply at the office of said Attorneys for the Conservator.

The right is reserved to reject any and all bids.

Legal Notices

ORDINANCE NO. 1532
AN ORDINANCE OF THE COUNTY OF MARIN, STATE OF CALIFORNIA, ADDING CHAPTER 11.24 TO THE MARIN COUNTY CODE AUTHORIZING THE DIRECTOR OF PUBLIC WORKS OF THE COUNTY OF MARIN, TO ISSUE PERMITS FOR ENCROACHMENTS UPON COUNTY LANDS ADJACENT TO THE BOUNDARIES OF GALLINAS CREEK.

The Board of Supervisors of the County of Marin do ordain as follows:

SECTION I—Chapter 11.24 is hereby added to the Marin County Code to read as follows:

Chapter 11.24—Gallinas Creek Encroachments
Section 11.24.010—Permits
Section 11.24.020—Condition
Section 11.24.030—Removal of Encroachments
11.24.040—Supervision
11.24.050 — Maintenance and Repair
11.24.060—Abutting Owners
Section 11.24.070 — Design Standards
Section 11.24.080 — Zoning of Affected Property
11.24,090—Limit of Encroachment
Section 11.24.100—Existing Facilities

11.24.010—PERMITS. The Director of Public Works may, upon filing of an application therefor and payment of a $5.00 fee, issue written permits authorizing the permittee to do any of the following acts within or upon the lands of the County of Marin adjacent to Gallinas Creek:

a) Installation of piers, catwalks or docks,
b) Installation of floats,
c) Installation of gangways,
d) Storage of water craft.

No encroachments shall be allowed unless a permit is secured as provided herein.

11.24.020 — CONDITION. Any permit issued pursuant to this chapter shall require that the permittee pay the entire expense of replacing existing facilities, if required, and may impose such other conditions regarding the location and the manner in which the work is to be accomplished as the Director of Public Works deems necessary for the protection of the navigable waters of Gallinas Creek, or related public purposes.

11.24.030—REMOVAL OF ENCHOACHMENTS. All permits shall require that whenever future improvement or maintenance of Gallinas Creek necessitates the relocation or partial removal of an encroachment, the permittee will remove or relocate the same at his sole expense. In such cases, the County Director of Public Works shall serve a written demand upon the permittee, by mail addressed to the permittee at the address shown on the permit, specifying the location of the encroachment to be removed or relocated and fixing a reasonable time within which the work of removal or relocation must be completed.

All permits are revocable upon thirty (30) days' notice and the encroachment must thereafter be removed or relocated as specified by the Director of Public Works.

11.24.040—SUPERVISION. The Director of Public Works may, but is not required to, supervise any work done under a permit issued under the provisions of this ordinance. In appropriate cases, the Director may also require a bond to insure completion of said work.

11.24.050 — MAINTENANCE AND REPAIR. The permittee shall be responsible for maintenance and repair of any works for which a permit was issued. Should any work constructed under the permit become defective through lack of proper maintenance, or any other reason, such defects shall be considered as sufficient reason for revocation of the permit.

11.24.060 — ABUTTING OWNERS. Every applicant whose property abuts County land bordering Gallinas Creek shall be entitled to a permit. No other person, firm, or corporation, will be issued a permit encompassing said applicant's water frontage.

11.24.070 — DESIGN STANDARDS. Applicants shall submit a detailed drawing to scale, showing the nature and extent of the proposed encroachment. Said drawing shall show plan side and end views.

Design of berth facilities shall be based on the following criteria:

A. **PIERS**
1) Minimum elevation of deck shall be 4.5 feet above mean sea level. (7.5 Mean Lower Low Water).
2) Minimum width shall be three (3) feet.
3) Live load design shall be based on forty (40) pounds per square foot.

B. **GANGWAYS.**
1) Gangways shall not be steeper than 2½:1 at low water.
2) Minimum gangway width shall be three (3) feet.
3) Live load design shall be not less than thirty (30) pounds per square foot.
4) Hand rails shall withstand a 20 lb. lateral load per linear foot of rail.

C. **FLOATING EQUIPMENT**
1) Floats shall have sufficient buoyancy provided to support a 20 lb. per square foot uniform live load plus the dead load of the structure with no allowance for structural members in floatation calculation. The minimum width of floating equipment shall be three (3) feet. If the width of floating equipment exceeds three (3) feet the unit live load may be reduced to 10 (3 feet + 1) (actual width in feet) pound per square foot.
In no case shall the live load be less than 12 pounds per square foot.
2) Framing shall be not less than 2 inches nominal thickness, if constructed of wood. If the entire structure is of plywood it shall be ¾" thickness, marine grade except portions above water may be exterior grades.
3) All floats shall have an identification number corresponding to the respective house number permanently attached thereto. Said identification numbers shall have standard 4" high numbers and be kept in a legible condition at all times.

D. **PILING**
Piling for floating equipment shall be adequate to resist lateral forces produced by any combination of:
1) Wind, current, wave and impact.
2) When piling can not be used, adequate anchor cables may be substituted at the discretion of the Director of Public Works.

11.24.080 — ZONING OF AFFECTED PROPERTY. Permits for encroachments, complying with the above design standards will be issued to property owners whose property is zoned for single family use. Permits for encroachments from property zoned other than single family will be based upon design standards specially determined by the Department of Public Works.

11.24.090 — LIMIT OF ENCROACHMENT. The limit of encroachment of improvements, including the berthing of water craft, shall not extend into the channel section. (The channel section is defined as that certain area as dredged to -6.0 M.L.L.W. under a Special Assessment District Dredging Project as approved by the Board of Supervisors on May 3, 1966, and as shown on the plans recorded in the Recorder's Office of the County of Marin, Serial No. 21676, on the 15th day of July, 1966).

The side of the encroachment shall extend from the applicant's back property corners across County land, intersecting the nearest line of channel bottom at right angles.

11.24.100—EXISTING FACILITIES. All berthing facilities which were installed prior to issuance of a permit hereunder shall conform to the requirements of this chapter within one year from the effective date hereof. Berthing facilities which are determined to constitute a hazard to navigation by the Board of Supervisors or fail to comply with this chapter shall be removed upon order of said Board.

SECTION II. If any section, subsection, clause, or phrase of this ordinance is for any reason held by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared invalid.

SECTION III. This ordinance shall be published once before the expiration of fifteen (15) days after its passage with the names of the supervisors voting for and against the same, in the Independent-Journal, a newspaper of general circulation in said County of Marin.

PASSED AND ADOPTED at a regular meeting of the Board of Supervisors of the County of Marin, State of California, held on the 2nd day of August, 1966, by the following vote:

Hearings On New Set Of Tranquilizers Open

WASHINGTON (SS) — The FDA has opened hearings on a new set of popular tranquilizers as the Government seeks to bring all drugs with any potential for addiction under tighter control.

The drugs are Librium (chlordiazepoxide) and Valium (diazepam) manufactured by Hoffman-La Roche, Inc. of New Jersey, which requested the hearing.

Attorney Walter E. Byerley, who is presenting the case for the U.S. Food and Drug Administration (FDA), said he expects that the new hearings will not run as long as those for meprobamate (Miltown and Equinil), which have brought scores of witnesses to the stand since June 27.

The main bone of contention between the FDA and the drug manufacturers concerns a traditional government ruling. The FDA has held that a drug with any potential for addiction, no matter how slight, should be placed under the Drug Abuse Control Amendment of 1965. This would limit the life of a prescription and narrow down the relatively free flow of pills to the public.

Manufacturers, on the other hand, have argued that the addictive capacity of these mild tranquilizer-sedatives is too slight to warrant the same kind of controls now covering the barbiturates and amphetamines.

Should the FDA Commissioner uphold its former stand, the companies can take their argument to court.

There is no doubt that the drugs, particularly meprobamate, have some addictive properties, as numerous clinical tests have shown. There also is little doubt that they are considerably less dangerous than the barbiturates.

Suicide by tranquilizer has also been a hotly debated issue in the past two months of hearings.

It is difficult to determine whether a suicide was caused by an overdose of tranquilizers, said experts.

The FDA has already listed in the drug abuse act 14 other mild stimulants and depressants, similar to meprobamate and Librium, without objection from their manufacturers. These include with such trade names as Placidyl and Doriden.

Submarine Discovers Undersea Road

RICHMOND, Va. (SS) — An undersea "road" has been discovered off the coast of Florida, Georgia and South Carolina. A relatively flat underwater terrace extending the depths of 3,000 feet has been found covered by a pavement of manganese oxide.

The Aluminaut, the world's deepest diving submarine, discovered the highway along a 150-mile by 100-mile area off the southern coast of the United States.

"The Gulf Stream currents evidently keep the pavement swept clean of sediment so that it resembles a black top road. We attached wheels to the Aluminaut and it actually rode along the deposits as though it was on a country road," reported Arthur L. Markel, vice president and general manager of Reynolds Submarine Services Corp., operators of the sub.

What is believed to be the largest speciment of manganese oxide ever raised from the ocean bottom, a 198-pound slab, was brought to the surface in the Aluminaut's "arms."

Luci's Wedding May Nick Papa Cool $75,000

NEW YORRK (UPI) — Women's Wear Daily reported today that Luci Johnson Nugent's wedding may cost the President as much as $75,000.

The garment industry publication, which incurred White House displeasure by publishing advance descriptions of the wedding fashions, said it arrived at this figure based on the cost of flowers, 400 policemen on Saturday overtime, the salaries of press secretary Liz Carpenter and her staff of six working full time for weeks, the trousseau, three portable first aid stations, three calligraphers to write the invitations, food and champagne for 700, a 110-man choir, organist, carilloneur, U.S. Marine Band and Peter Duchin's orchestra.

Nixon Says Respect For Law Deteriotating

WASHINGTON (UPI) — Former Vice President Richard M. Nixon said today there is "a deterioration of respect for the rule of law all across America."

Writing in the current issue of U.S. News and World Report, Nixon said, "that deterioration can be traced directly to the spread of the corrosive doctrine that every citizen possesses an inherent right to decide for himself which laws to disobey and when to disobey them."

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

In Zeal For Skin Beauty, Many Force Beating On Their Hides

VAN DELLEN

Today we have a better understanding of health than did our forefathers. The average layman rarely attempts self-treatment of the heart and more and more are frowning upon widely advertised stomach, kidney, and liver pills. But the skin is an exception. In our zeal for beauty we do strange things, and as a result, our old hide frequently takes a beating.

The skin is delicate yet some feel that whenever a rash develops the strongest medicine is best. This is like trying to cure a bad burn by pouring boiling water over it. Such misconceptions keep most dermatologists busy as beavers.

WHEN A RASH appears they run to the drug store to get something potent to kill the infection. This merely substitutes a chemical burn for a lesion that might have subsided spontaneously. The ensuing eruption then is misconstrued as a spread of the disease. Then a more irritating substance is applied which worsens the outbreak. Finally, when a soothing ointment is used, the overtreated dermatitis disappears.

Skin cancers are lesions that bleed, change color, fail to heal, or are covered with a scab that comes and goes. So much has been written on this subject that it is unbelievable that anyone can have a skin malignancy without becoming suspicious of the truth. No one ever beats the "wait and see" game; all procrastination does is give the disease a chance to spread. This is ironical because skin cancers are easy to cure when treated early.

ECZEMA on the hands of a housewife or working man suggests strong detergents and soaps. Many mechanics, painters, and filling station attendants wash their hands in gasoline and oil believing that the skin can take it. It does for a while, but in time, the solvents remove oil from the skin and cause an itchy, oozing, eczematous eruption. In the winter this is particularly annoying because the skin cracks and bleeds. Most soaps and detergents are harmless to the intact skin and, in addition, they have antiseptic qualities. These should not be used when a dermatitis is present.

(Dr. Van Dellen will answer questions on medical topics if stamped, self-addressed envelope accompanies request.)

WHAT IS IT?

M.C. writes: Are viruses bacteria?

REPLY

No. Scientists are not certain of the exact nature of viruses but they probably are forms of living matter. They vary greatly in size and chemical composition and some of the larger viruses can be seen under the electron microscope. The medical profession can control bacteria fairly well but viruses are prone to resist treatment.

NOSE A 'DISASTER'

A reader writes: I'm 40 and not bad looking, but the whole picture is a disaster when you see my nose. This is a real nose. I know my appearance would be greatly improved if this feature could be altered. Do you think I'm too old for this type of surgery?

REPLY

No.

HEARING MEDICATION

K.M.O. writes: I took streptomycin at a tuberculosis hospital for six months and became deaf in one ear. Will hearing return now that I have stopped taking the medication?

REPLY

It may, if the auditory nerve has not degenerated completely.

Instrument Could Be Used To Measure Stars, Quakes

WASHINGTON (SS)—An instrument with two telescopes separated by three-fifths of a mile could be used to measure the size of stars and provide much astronomical information not otherwise available.

A proposal to investigate whether or not such a large instrument would operate satisfactorily was made here by Dr. R. H. Miller of the University of Chicago.

Dr. Miller notes that the instrument would not only give astronomical information but could also be used to measure earthquake vibrations, tidal strains in the earth and the wandering of the earth's rotational pole.

The instrument to accomplish all this, and possibly even more, would be a "Michelson stellar interferometer" three-fifths of a mile long.

A 20-foot version of such an interferometer was built and operated at Mount Wilson Observatory in California about 40 years ago, but it could be used to measure only six stars because of its small size. These stars are all large, cool and relatively close to earth.

If the instrument operated successfully on earth, another could be built on the moon after man has established living quarters there.

Try Self-Serve Postal Center

A 24-hour, self-service experimental postal center is to be located at the Corte Madera Shopping Center within the next few months, the Post Office Department announced today.

The do-it-yourself post office will feature vending machines for a variety of stamps, postal cards, envelopes and minimum parcel post insurance.

Letter and parcel scales will be available as will coin and bill changers.

The center will have a specially designed depository for parcel post, and two drive-up mail boxes, plus a direct line free telephone to the main Corte Madera post office. It will be open seven days a week.

Costing about $15,000, this is one of 79 such centers to be opened throughout the nation.

Rev. D. Murray Hammond is president of the Marin County Council of Churches.

Jazz Concert At Stern Grove

SAN FRANCISCO (UPI)—For 28 years the concerts at San Francisco's Stern Grove have been on the classical side, but yesterday there was a new sound in the amphitreatre—jazz.

A record crowd of 20,000 persons left little standing room in the open theater which was donated to the city by Mrs. Sigmund Stern.

The program featured music from the bistros of New Orleans in the 1900s to the complex arrangements of modern jazz. Appearing were Turk Murphy's Jazz Band, the Vince Guaraldi Trio, the John Handy Quintet and Rudy Savlini's big band. Guaraldi and Murphy are nationally known.

Albert White, concert manager at Stern Grove, summed up the afternoon: "Jazz is here to stay."

U.S. Geological Survey Has West Coast Site

MENLO PARK (UPI) — The United States Geological Survey has set up a west coast headquarters here to study the "mineral wealth of the offshore lands," it was announced yesterday.

Dr. William T. Pecora, director of the geological survey, said the new office of Marine Geology and Hydrology "will be the focus of the Survey's activities to inventory the mineral wealth of off-shore lands" of the west coast and Hawaii.

Adventuring Toddler Is Found

Two-year-old Nicole A. Bourassa of 87 California Avenue, Homestead Valley, had a big adventure Saturday — including a visit to the Marin County Sheriff's Office.

Nicole, in her pajamas, got out of her crib and left her home while her mother was sleeping and her father Harlan R. Bourassa, was working in a basement work shop, deputies reported.

She was playing at Marin Terrace School, 100 Harvard Avenue, a short way from her home, when Floyd E. Mills of 115 Harvard Avenue happened by at 8:37 p.m.

After failing to locate her parents, Mills took her to his home and called deputies who took her to the sheriff's office.

At about 10 p.m., her alarmed parents discovered she was gone after checking the house, yard area, her father called deputies. The child was not overly upset, deputies said.

Concern Raised Over LSD Cases

CHICAGO (SS)—Psychiatrists at the University of California at Los Angeles voiced concern over the rising number of people who have had to seek medical care for the lingering effects of an LSD trip.

In a seven-month period, 70 LSD cases were treated at UCLA's neuropsychiatric institute, 12 per cent of the institute's total patient load during that period. Until a year ago, an LSD case there was a rarity, reported Dr. J. Thomas Ungerleider, Dr. Duke D. Fisher and Mariellé Fuller.

All of the 70 had at least one severe reaction — anxiety, depression, hallucinations or suspiciousness — long after the drug's effects should have worn off, even though some of them had attempted to create the "right environment" before taking the drug. Half had required emergency help before they were admitted for treatment at the institute.

Music Festival Set

The Cabrillo Music Festival will be held Aug. 19-21 and 26-28 in Aptos, Santa Cruz County.

THE PEOPLE'S SCHOOLS

Put Politics In School Elections? Two Professors Hint At That Idea

Might the public schools be more satisfactorily operated if they were controlled directly by city councils and county boards of supervisors, dispensing with separate school boards?

That they might was suggested by David W. Minar, professor of political science at Northwestern University, in an address at last month's Cubberley Conference on Education at Stanford University.

Minar said his studies of school board operations have left him with the impression that "board members tend to take a constrictive view of the function of the school system, or to feel that institutional constraints make an expansive community role futile." This, he declared, "is unfortunate if true."

THE NORTHWESTERN University professor suggested school boards are rather easily overwhelmed by controversies, because each school conflict becomes enlarged in the eyes of a board dealing solely with schools. The municipal governing board, accustomed to many conflicts on many subjects, is less likely to get over-exercised about them, he contended.

The local school government, although "much like other local jurisdictions," Minar noted, "performs in a field more professionalized and more encrusted with tradition."

Because of this professionalization, the speaker suggested, school board members tend to lean more heavily on the superintendent and his staff than does a city council or county board on the administrators it hires. The school district's authority system is more absolute, and has not been considered "a proper subject for inter-party controversy."

THE RESULT, he suggested is that the school board "is not accustomed to being opposed and therefore lacks resilence. Conflict is likely to come to it as a disorganizing shock.

"Whereas in most democratic governmental structures, conflict is recognized as the way the game is played, in school government it often seems to be regarded as a rude and foreign intrusion."

A "realistic answer," he suggested, "is to abolish school systems as separate units of government, to put schools under the immediate policy direction of municipalities and counties."

MINAR'S SUGGESTION drew little support from other experts among the speakers at the three-day conference, which was attended by some 300 school board members, along with 200 or so professional educators, from throughout the United States. Subject of the conference this year was "School Boards in an Era of Conflict."

Somewhat similar ideas, however, were put forth by Jesse Burkhead, professor of economics at Syracuse University, in his book, "Public School Finance: Economics and Politics," published two years ago.

BURKHEAD DID NOT go so far as to suggest abolishing school boards, but he wrote: "One of the most important ways in which both state and local governments and public education can be strengthened is by further integration of education with the rest of government, not by further separation." He suggested school-city fiscal collaboration as a logical first step.

The Syracuse professor and Minar both hinted that party politics might not be a bad thing for the school system.

Wrote Burkhead: "In the absence of political parties to build up and defend opposing positions on public questions, the issues brought before the electorate tend to want significant program content and the campaigns to lack zest . . . The voters, failing to find any particular interest at the polls, stay home in large numbers."

INCIDENTALLY, the school board member who probably traveled farthest to the Cubberley Conference came from Dade County (Miami), Fla. The state of Florida has just one school district per county, so the Dade County school system is a large one, with a fiscal 1967 budget of approximately $140 million. And its members are elected in the general election, on a party ticket — although, as the gentleman from Miami was quick to point out, it is really the Democratic primary that counts in Florida.

Boat Radio Taken

Raymond Peterson of Redwood City reported to the sheriff's office Friday that someone took a marine transistor radio valued at $75 from his boat while it was moored at Lowrie's Yacht Harbor, 40 San Pedro Road, on the San Rafael Canal. The burglary occurred between July 31 and last Wednesday, he said.

State Hikes Fund For Insurance

The State Division of Industrial Accidents today announced a 50-cent hike to $5.50 for each unit under the minimum medical fee schedule for treatment of industrially injured workers. The new rate will go into effect Oct. 1.

Units express the relative value of each medical or surgical procedure.

Revision of the $5 rate, adopted in 1962, was urged by the medical insurance industry to meet increased medical costs, said Thomas N. Saunders, director of the division.

Doll Show Planned For Fairfax Children

San Anselmo children will display their dolls in a show sponsored by the city's park and recreation department on playgrounds at Brookside, Wade Thomas and Yolansdale schools Friday at 1 p.m.

The dolls will be judged in eight categories—oldest, largest, smallest, best dressed, most unusual, most unusual foreign doll, funniest looking and cutest stuffed animal. Prizes will be awarded in each category at each playground, according to Andrew J. Snyder Jr., director of parks and recreation.

Bullets To Fly Over Bay Again

A 25 square mile trapezoidal area of San Pablo Bay will be closed again Thursday for Navy patrol boat gunnery practice.

Lt. Col. Frank C. Boerger, District Engineer of the Army Corps of Engineers, said a temporary danger zone is established in the area off the Petaluma Creek shallows from 9 a.m. to 3 p.m. at the request of the Navy.

The Navy's use of the area for gunnery training exercises has drawn protests from sportsmen and conservation groups.

Why the Mercedes-Benz 230SL costs $6420

Top speed is 124 mph. Handling equals today's great sports cars. But the 230SL's genius lies in comfort no sports car has ever matched: chair-like seats that literally breathe, for example. Read more about one of the most desirable sports machines ever built.

THE Mercedes-Benz 230SL is defiantly *not* fun for the whole family. It's a two-seater machine built for the pleasures of driving.

As such, it succeeds brilliantly: "This combination of absolute security, complete stability, and plain old hell-raising fun must be driven to be believed," states *Car and Driver* magazine.

Mercedes-Benz takes serious pains to provide this pleasure.

From start to finish of assembly, the 230SL passes a total of 8,117 inspections. Its 6-cylinder, fuel injection engine is hand assembled with pistons matched to within 1/100th of a millimeter.

The completed engine runs at least 75 minutes on two test stands, finishing with a prolonged burst at peak speed.

The completed 230SL then zips from the factory to the test track for a brisk performance check. If it's good enough for the inspector, it's good enough to sell.

Handling for experts

Only a skilled professional driver could take the 230SL up to its road holding limits.

"The car's cornering power is so high that one simply goes roaring into the turn, chooses his line, steers, and opens the throttle to taste. The result is a smoothly negotiated corner that will make your passenger think you're a virtuoso, and drivers of other cars wish that they had taken the bus."—Car and Driver.

Some clues to the 230SL's handling mastery: it stands a mere 4 feet, 4 inches high—yet measures nearly 6 feet wide. And its track is so broad that those chubby 14-inch tires seem to bulge out from the body sides.

NOTE: These tires are a breakthrough in themselves. They were designed to suit the car—using advanced *radial ply* construction. Their tread design and tenacity help explain why this car literally *sticks* to the road.

Because of their decisive role in the 230SL's handling, Mercedes-Benz refuses to mount anything less.

You ride on a patented Mercedes-Benz fully independent suspension, with single-joint low-pivot rear swing axle. A few years ago, this same design carried the Mercedes-Benz 300SLR sports-racing car to a world championship.

Big 9.9-inch front disc brakes snub you down to a halt without fade or swerve. The 230SL holds *Road & Track* magazine's record for fast stopping times.

Einspritzmotor

The 230SL is only stretched to its limit when the speedometer needle nudges 124 mph. You could level off at 100 mph and stay there until it became boring or illegal.

An *Einspritzer*—fuel injection system—replaces carburetors and helps make this one of the most responsive engines for its size in the world. And one of the *smoothest*. Its unobtrusive power is also one reason why, unlike most sports cars, the 230SL makes such an ideal long-distance tourer.

What's in a name: The *230* in 230SL stands for 2.30 liters of engine displacement. The "S" stands for Super, the "L" for Light.

At 2855 lbs, the 230SL is anything but flimsy. Mercedes-Benz rally driver Eugen Boehringer underscored the point: he won the grueling Liége-Sofia-Liége Rally in one.

The squeaks, rattles and groans of hard use and age won't intrude on the 230SL. There's nothing *to* squeak, rattle or groan: the body is welded up, not bolted together. Then it's unhurriedly hand finished, slathered with undercoating, coated with two primer layers and painted twice with enamel.

A hidden virtue: Vital areas such as the insides of the rocker panels that are sealed off before priming are protected nonetheless: they're zinc-coated *before* assembly.

Sumptuous living

Visibility in the 230SL is so airy it is eerie. You sit high, the car's waist is low, and side windows arch up over 15 inches. You watch the road ahead, not the hood. The psychological edge is worth an extra 5 mph.

You sit in a contoured, heavily padded seat that resembles a chair, not the typical sports car "bucket."

Describing the 230SL's seats, Britain's *Motor* magazine said, "They grip, support, relax and ventilate your body supremely well."

The backs also recline. And thousands of tiny holes in the upholstery material keep air circulating. Two large slots on the rear of both backrests allow pent-up heat to escape from inside the seats.

Passengers: The driver may prefer too much or too little heat for your taste. No problem: you can set your own comfort standards with a *separate* group of heater controls.

The 230SL is decidedly not a family carryall. But you can tuck 7 cubic feet of luggage in the trunk. You can stow another 5 cubic feet, or a smallish relative, in the carpeted area behind the seats.

A 4-speed, fully synchronized transmission with floor shift is standard equipment. In its place you can specify a 4-speed automatic transmission, also with floor shift.

Even people who *hate* automatics relent with this one; it can be shifted like a manual gearbox, there is no soggy lag in acceleration, and it is so efficient that fuel economy virtually equals manually equipped 230SLs.

Power steering is also available at extra cost. It is generally regarded as the best such system in the world, since it reduces steering *effort* but not road feel—and does so progressively, coming into play only when needed.

Three 230SL models

You can choose from 3 models: the Roadster, with convertible top, at $6262*; the Coupe, an all-weather removable metal hardtop, at $6420*; and the Roadster/Coupe, at $6665*.

You can flip the convertible top up or down singlehanded, in seconds. It stows flush under a protective steel cover.

"The detachable hardtop is so beautifully engineered that it doesn't look as though it should come off at all," comments *Autocar* magazine. Note the *concave* roof of this hardtop. An ingeniously simple means of expanding visibility, as in turning up the brim of a sombrero.

In addition to the 230SL's tangible assets, many owners enjoy the simple fact that it is a Mercedes-Benz.

Cerrudo Runner-Up In Western Finals

Ron Cerrudo of San Rafael had to be content with runner-up honors in the Western Amateur Golf Championships today.

Cerrudo shot a two-under-par 70 yesterday in the finals at Pinehurst, N.C., but a friend of his, Jim Wiechers of Atherton, shot a sizzling 68 and won the match play finals 1-up over the Marin County golfer.

"I would have to call it my greatest round," said Wiechers, recent winner of the Trans-Mississippi tournament. He beat Cerrudo, his traveling companion, in the quarter-finals of that event.

The 21-year-old, 210-pound Wiechers is allergic to grass and bothered by asthma, but he showed no signs of it at the Pinehurst Country Club course, stringing three birdies in a row en route to the win.

Wiechers said he goes to a doctor for shots once a week to keep down the grass allergy.

Cerrudo eliminated Bob Bryant of Charlotte, N.C., 3 and 1 in the semi-finals yesterday morning while Wiechers defeated Jack Lewis Jr. of Florence, S.C., 4 and 3.

Wiechers birdied the seventh, eighth and ninth to make the turn three-up in the finals. Cerrudo came back twice to cut the margin to one-down. He sank a seven-foot birdie putt to win the par three 17th, but Wiechers halved the 18th to take the championship.

Cerrudo, 21, won the 10th with a birdie four and cut the margin to 1-down at the 14th when he sank a 28-foot birdie putt. However, he lost the next hole with a bogey four before winning the 17th.

"I shot 70 and lost. That's pretty tough," said Cerrudo after congratulating Wiechers on the 18th green.

LEACH SECOND IN U.S. JUNIOR GOLF CLASSIC

Ray Leach of Novato made it all the way to the finals before losing in the U.S. Golf Assn. Junior Championships Saturday in Whittier.

The 16-year-old Leach lost 2-up to Gary Sanders, also 16, of Buena Park, Calif., who shot a one-under-par 70.

In the semi-finals, Leach matched par with a 3 and 2 win over Tom Kite of Austin, Tex.

Sanders had four birdies on the back nine of his semi-final match and beat Lanny Wadkins of Richmond, Va., 2 and 1.

Leach will now start competition in another major golf tournament. He's one of 200 boys entered in the International Jaycee junior tournament that gets underway tomorrow in Greensboro, N.C.

Sausalito Ousted In Little League

The Divisional Little League All-Star Baseball Tournament will be held in Novato this week but there will not be a Marin County team in it.

Sausalito, Marin County's champ team, lost 4-3 to Petaluma's American Little League All-Stars Saturday in the finals of the Sectional Tournament in Sebastopol. Sausalito had made it to the finals by beating Concord American 6-5 Friday.

Petaluma pitcher Sam Solis gave up four hits and three runs in the first inning but settled down to shut out Sausalito on four more hits the rest of the game. Petaluma knotted the score in the fifth inning and then won in the seventh, a two-base error setting up the run.

Clifford Hall had a double and single and Lawrence Dora a pair of singles to lead the Sausalito attack. Alton Hardy had a double and Bob Stanley, Mike Bettencourt and Gary Knife each had singles to round out Sausalito's eight-hit total.

Losing pitcher Hardy gave up 8 hits, struck out 13 and walked 2.

Some of the Sausalito players ended their all-star play with fat batting averages. Hall finished at .611, Dora at .500, Stanley at .429, Hardy at .418 and Bettencourt .400. William Dovall didn't get any hits in the final game but had a .333 mark during all-star play.

The victory for Petaluma vaulted it into the three-day divisional tournament starting Thursday at Novato's Pinheiro Field.

A Former Football Star's Pursuit Of Unhappiness

SOME MEN collect Botticellis. Others prefer Gainsboroughs or rare old first editions. Coins fascinate some men, stamps, others.

And then there are guys whose idea of a hobby is the Denver Broncos.

"The ownership of a fine library," the late Henry E. Huntington used to say, "is the best and surest way to immortality." But Walter O'Malley might say the same about the ownership of the not-so-fine Brooklyn Dodgers. And Henry Huntington had to collect a few railroads before he could collect his library.

SPORTS OWNERSHIP has always been particularly fascinating to those barred—by reason of infirmity or background—from more direct sports participation. Scratch a majority stockholder and chances are you'll find a frustrated centerfielder — or left tackle. He wants to get his ulcer one way or another.

What makes James Fred Hardy unique is that he now wants to buy into a business he was well able to play into in his prime. A case could be made Jim Hardy was no worse than the second or third-best passer ever raised in the state of California—or, would five touchdown passes in the Rose Bowl convince you? How about an undefeated season for USC? How about being kept on the same pro teams that already had Bob Waterfield and Bobby Layne?

WHEN HE had a job all to himself—with the old Chicago Cardinals—Jim once completed six touchdown passes in one game. Against the Baltimore Colts. He out-passed Y. A. Tittle, 55-13.

JIM'S PASSION is to own a pro football team, an ambition which has to rank with healing lepers, missionary work among the head-hunters, and de-fusing time bombs as a life work. I mean, I would rather own a squad of real lions than the Detroit Lions. Losing $200,000 on account of a fumble, going in hock to the banks because of a blocked punt, ponying up a half million dollars and all the bannanas he can eat to some illiterate halfback who may jump to Canada or Houston as soon as he has converted it all to purple Cadillacs and sports coats to match is not my idea of a seat on the Stock Exchange.

I MEAN, Henry Huntington's Shakespeare folios can't drop a hitch pass. Andrew Mellon's collection won't have to be bailed out of night court on occasion. A Greek statue never misses a curfew. A crowd does not look at your Monet and shout "We Want Lautrec!"

NEVERTHELESS. Jim Hardy—with a line of credit from friends and associates in the amount of $7½ million—was standing on tiptoe at the door of the American Football League ready to toss it all on the table for 40 pass-droppers, tackle-missers, signal-skippers. He had been promised a team in Anaheim, and, to show his good faith—and the fitness of the community for this great boon of American League football—he had scheduled a pro doubleheader featuring the San Diego Chargers and Kansas City Chiefs, plus the Oakland Raiders and Boston Patriots.

THE MERGER of the leagues intervened, clearly giving him the right to throw his money away on diamond mines, New York real estate, government bonds, blue chip stocks, or mink coats.

But, can any of these things get tackled in the end zone? Run the wrong way with a football? Break an arm on the eye of a championship game? Finish last?

NO! THERE is no more fun in any one of them than in a fistful of aces. Jim is going to be hardy about it. He's going through with his doubleheader (Aug. 20). His check is still good. His offer still stands. He's still in inhuman bondage to his ambition. He wants a team. The pursuit of unhappiness is guaranteed by the Declaration of Independence, too, isn't it?

NARROW MISS—Ron Cerrudo of San Rafael drops his putter and holds his head as a clutch putt fails to drop on the 18th green during yesterday's final round in the Western Amateur Golf Championship in Pinehurst, N.C. Cerrudo was defeated 1-up by his friend, Jim Weichers of Atherton. (AP Wirephoto)

Marichal, Sadecki Vs. Reds

CINCINNATI (AP)—The San Francisco Giants staggered into Cincinnati today for just what they didn't need—a doubleheader, and a twi-nighter at that.

With their bullpen overworked and overtired, the Giants could use a complete game from either Juan Marichal or Ray Sadecki, Manager Herman Franks' choices to face the high-flying Reds.

Relief ace Frank Linzy, whose luck recently has been almost all bad, escaped some confused fielding yesterday and saved Gaylord Perry's 17th victory as the Giants triumphed 9-6 over the Chicago Cubs.

That broke a three-game losing streak for the San Franciscans, now only three percentage points out of first place in the National League. The Cubs had taken their second straight from the Giants Saturday by a 5-2 score.

Perry, who's lost only twice this season, gave up 10 hits and four of the Cubs runs yesterday but got plenty of support.

The lanky right-hander survived a two-run homer by Randy Hundley in the second and surrendered another two in the third on a walk and three straight singles.

But Willie Mays had homered in the top of the third with two men on base, his 25th of the season and 530th of his career. That left him only four short of Jimmy Foxx, the second-greatest homer hitter in history and the man who hit more than any

Mira Fizzles; Dallas Rolls Over 49ers

By RON BERGMAN

SAN FRANCISCO (AP)—The Dallas Cowboys plan to roll out to their first National Football League Eastern Conference title this season behind their new offense.

Of course the six other Eastern clubs might have something to say about that. But the race looks wide open because fullback Jimmy Brown has told the folks in Cleveland he won't be back to help the Browns defend their conference title.

Dallas showed its roll-out of fense yesterday and beat the San Francisco 49ers 24-13 in the preseason opener for both teams. The Cowboys added former defensive star Mel Renfro at offensive halfback for a wide threat. He gained 47 yards in nine carries for a 5.2 average, mostly on trips around the ends.

The 49ers, meanwhile, couldn't sustain an attack behind George Mira, who was gunning for an impressive performance. John Brodie, the No. 1 quarterback last year, ended his holdout only last Wednesday and was held out of this game. He could get his first taste of action next Sunday on the same Kezar Stadium turf when the Browns come to town.

"I had a bad game and I know it," said a downhearted Mira afterwards.

The one-time Miami All America completed only 15 of 35 and once threw seven straight incompletions.

Despite a mediocre second half, Dallas quarterback Don Meredith made the roll-out offense look as if it was custom fitted for him. He completed 13 of 27 for 176 yards.

The Cowboys won only two of their first seven games last year before coach Tom Landry installed the roll-out. They went on to finish at 7-7, good enough for a second-place tie in the East and a trip to the National Football League Playoff Bowl.

With the 49ers putting double coverage on Olympic sprint champion Bob Hayes, Meredith found flanker Pete Gent on the

Injured U.S. Skier In Grave Condition

PORTILLO, Chile (AP) — A young American skier remained in very serous condition today while the beleagured Austrians sought to break the French domination of the World Alpine Ski Championships.

In Santiago, a hospital spokesman said Walter Falk, 19, Boise, Idaho, remained in "very grave condition and is still unconscious" today after a spectacular fall in the men's downhill yesterday.

Falk, the second American to suffer serious injuries in four days, was flown to Santiago by helicopter after the accident called by veteran skiers the worst they'd ever seen.

The hospital said he was suffering from a severe concussion and cerebral congestion.

The Austrian women, meanwhile, hoped to salvage some pride for the nation that has dominated the world's downhill skiing for the last four years.

"We're ready to tear ourselves to pieces to win," said Austria's Erika Schinegger going into today's women's downhill.

France's Jean Claude Killy and Leo LaCroix scored a major upset when they finished one-two in the men's downhill yesterday. The Austrians, heavily favored, could do no better than fourth, Heini Messner at 1:36.02.

Killy and LaCroix were timed in 1:34.40 and 1:34.80 respectively, with West German Franz Vogler third. Frenchmen also took the fifth and sixth spots, with other Austrians seventh, ninth and 10th.

Jim Huega, Tahoe City, Calif., was the best American, 19th with a time of 1:37.79. Other American placings were Jere Elliott Steamboat Springs, Colo., 23rd; Bill Marolt, Aspen, Colo., 25th and Dennis McCoy, Bishop, Calif., 37th.

Witnesses said Falk appeared to be doing well until he shot through gate No. 11 and into a steep rise. As he reached the crest, he threw his arms back as if he were off balance and took the bump badly.

"He came down on the inside of his right ski," said ski patrolman Bruce Morse of North Conway, N.H. "The ski shot off and he fell into the snow.

"He went somersaulting down the hill, flipping end over end, then being thrown into the air again. I guess he went about 225 feet before he came to a stop."

Saldivar In Comeback To Retain Title

MEXICO CITY (AP)—Vincente Saldivar, his face puffed and bruised, his right eye swollen shut and bandages covering some tiny cuts, admitted, "I came very near having an unpleasant experience."

It was unpleasant enough, including a fourth round knockdown at the hands of Japanese Mitsunori Seki, but Saldivar junped up in time and escaped with his world featherweight boxing title intact last night.

He won the decision on the cards of all three Mexican officials after the bloody bout in a Mexican bullring, but even the executive secretary of the Japanese Boxing Commission, Kotai Kikuchi said, "I think it was a good decision."

The champion weighed 124½ to 125 for Seki.

Saldivar, the heavy favorite in his fourth title defense, took a heavy beating after his no-count knockdown in the fourth, was still in trouble in the fifth and had trouble with his eye in the late rounds.

But he dropped Seki for an eight count in the seventh, had the Japanese on the ropes and all but helpless when the round ended. He opened a cut inside Seki's mouth and over his left eye.

NEW TOES PACE BILLS, GIANTS TO VICTORIES

By FRED McMANE
UPI Sports Writer

The New York Giants and the Buffalo Bills appreciate a new face, but the Cleveland Browns and San Francisco 49ers will settle for an old one.

The Giants' choicest acquisition in the off-season, kicker Pete Gogolak, came through with a 34-yard field goal in his first try Saturday to provide the margin of difference as the Giants edged the Pittsburgh Steelers 16-14 in an exhibition game.

The defending American Football League champion Bills meanwhile have apparently gotten a better than adequate successor to Gogolak in Booth Lusteg who kicked four field goals to lead Buffalo to a 19-13 triumph over the Boston Patriots yesterday.

The Browns, however, playing without star fullback Jim Brown, lost to the Los Angeles Rams 16-6 while the 49ers, minus ace quarterback John Brodie, were humbled by the Dallas Cowboys yesterday 24-13.

In other exhibition action over the weekend, San Diego whipped Miami 38-10, Kansas City nipped Denver 32-30, St. Louis topped Atlanta 20 - 10, Philadelphia crushed Chicago 40-21 and Minnesota tied Detroit 6-6 on Saturday night.

Gogolak, the soccer-style kicker from Cornell who was obtained from Buffalo during the winter, connected from the 34 in the second quarter after former Cornell teammate Gary Wood directed the Giants to the Steeler 27 in seven plays.

Bruce Gossett kicked three field goals and Clancy Williams turned in a 100-yard kickoff return to pace the Rams' triumph over the Browns.

Don Meredith clicked on 13 of 28 passes for two touchdowns and final period and a field goal by Bob Jencks provided the Cardinals with their winning margin over a stubborn Falcon team.

Fred Cox booted two field goals for the Vikings and Wayne Walker added a pair of three-pointers for the Lions for the only scoring in a tight defensive battle.

Lusteg's kicks kept the Bills in the game for three quarters as he connected from the 28, 42 and 47 yard lines.

Roseboro Paces L.A.; Reds Clip Pittsburgh

By MURRAY CHASS
Associated Press Sports Writer

John Roseboro objected to aspirin tablets, so now he's giving National League pitchers headaches.

Roseboro handed out some headaches as the Los Angeles Dodgers trounced Houston 14-3 and took over the league lead for the second straight Sunday.

The Dodgers, who had fallen from the top after moving into first place last Sunday, grabbed a one-percentage-point lead over the Pittsburgh Pirates, who lost to Cincinnati 9-7, and a three-point margin over the San Francisco Giants, who downed Chicago 9-6.

Roseboro contributed three hits to the Dodgers' 20-hit onslaught and scored three runs. The performance was typical of those the veteran catcher has been having since he decided pre-game batting practice was for other guys.

"I used to hit, hit and hit some more in the cage," Roseboro explained. "I would have my timing down perfect. Then I would go into the game and I was no good. After batting-practice lollipops, pitches in the game looked like aspirin tablets."

As far as the Dodgers are concerned, Roseboro's hitting — since he kicked the batting practice habits — has been sweeter than a lollipop.

Through May 31, the 33-year-old Roseboro batted .240. Since then, without the aid of pregame hitting, he has hit .348, bringing his season average up to .310, by far the best on the team.

That's not bad for a player whose lifetime average is .245.

In other N.L. games, Atlanta blanked Philadelphia 3-0 and St. Louis and New York split a pair of 4-1 games.

Aiding Roseboro in the Dodgers' attack against Houston were Lou Johnson, Ron Fairly and Jim Lefebvre, who each drove in three runs, and Willie Davis, who rapped four hits. Fairly, who also had four hits, and Johnson homered.

Another Johnson, Cincinnati's Deron, helped drop Pittsburgh from first place. He drove in four runs, including three with a sixthi-nning double that proved decisive. Robert Clemente drove in five Pirate runs, lashing two singles and two homers.

Tony Cloninger pitched a five-hitter against Philadelphia. The Braves' hurler also doubled home a run in the seventh. Rico Carty homered for Atlanta in the second.

Tim McCarver's two-run homer in the sixth powered St. Louis past New York in the opener. Bob Gibson won his 14th game with nine-inning relief from Hal Woodeshick.

The Mets came back in the second game behind a pair of run-scoring singles by Ron Swoboda. Jack Fisher stymied the Cardinals on six hits.

Softball Tourney In San Anselmo

Action begins tonight in the seventh annual San Anselmo Invitational Softball Tournament with the Larkfield Merchants of Santa Rosa dueling the Marin All-Stars in the 6:30 p.m. lidlifter at the Hub City's Memorial Park.

Sohner Tree Service of San Anselmo meets Two-Rock Army of Petaluma tomorrow night while Luna's of San Francisco plays Larkfield Thursday.

No games are scheduled Wednesday.

The tourney is a single round-robin affair with all games scheduled for the San Anselmo park.

Raider Fullback Calls It Quits

OAKLAND (AP) — The Oakland Raiders' fullback, Alan Miller, has told the Oakland Tribune he plans to retire from the American Football League to give his full attention to his law career in Milwaukee.

Raiders' general manager, Scotty Stirling, said yesterday Miller had not informed the team of his decision.

Miller, who played for Boston College, was with the Boston Patriots during the 1960 season. He was traded to the Raiders and has played fullback for them for four years.

Mill Valley Bats Blitz Jeffersons

The Mill Valley Merchants semi-pro baseball team continued to smash the ball yesterday, whipping Jeffersons 12-4 on Optimist Field in Mill Valley.

Centerfielder Bill DeGrazia blasted three triples to lead the 15-hit Mill Valley attack. Steve Woodward, Tamalpais High School star, also had three hits to help the cause. Bill Brody, M.V. third baseman, had two singles and increased his team-leading runs-batted-in mark to 16.

Keith Fraser pitched back to his winning form of last season, allowing only four hits and no earned runs.

Mill Valley scored in every inning and brought its season record to six wins and seven losses. In the last two weeks the Merchants have totaled 26 runs and 31 hits, boosting its team average to .322.

Giants Win, Play 2 Tonight

other right-handed batter.

Perry gave up at least one hit an inning through the sixth. The Giants made him a winner with four runs in the seventh.

Jesus Alou batted for Hal Lanier and singled. Jimmy Davenport swung for Perry and also singled. That chased out loser Ken Holtzman and brought in reliever Ferguson Jenkins.

After Tito Fuentes lined out, Willie McCovey doubled in a run. Mays was purposely passed, loading the bases. Jim Hart doubled off the right field fence, scoring Davenport. But McCovey was tagged out at the plate.

Cap Peterson singled in the final two runs of the inning, sending Jenkins home early. Davenport added a two - run homer in the eighth.

Linzy must have thought his recent bad luck would never leave him in the seventh. After giving up a walk to Billy Williams and single to Ernie Banks after one out, Linzy got Byron Browne to ground out and Hundley to pop up.

But Hundley's soft fly caused all sorts of confusion with first baseman McCovey and second baseman Fuentes straying into right where they got into outfielder Ollie Brown's way. The ball dropped in for a two-run double.

Linzy, however, struck out Don Kessinger and got the next six men in order with help from a ninth-inning doubleplay.

After four games against Cincinnati, the Giants get Thursday off before starting a homestand Friday night against Houston at Candlestick Park.

Game Postponed

Litchfield's scheduled semi-pro baseball game with Hatzell Radio yesterday was postponed because of a death in the Hatzell family. The San Rafael team will get back to action next Sunday with a game against Lodi Wine Guild.

Minger, Scannell Triumph

Tom Minger of Othello Air Force Station, Wash., held off a pressing field and went on to win in the open division of the annual Fourth Air Force Golf Tournament Saturday at Peacock Gap Country Club, winding up with a seven-over-par 291 in the three-day tourney.

Staff Sgt. Bill Coleman of McCord Air Force Base, Wash., finished one-stroke off the pace, 292; First Lt. Bob Morganstern and Tech. Sgt. George Lanning, also from McChord, carded 293 and 295, respectively; and Chief Warrant Officer George McMullen edged Tech. Sgt. Delbert Henry with a par on the first hole in a sudden death playoff to finish in fifth place with a total of 312.

SENIOR CLASS

In the senior division, Lt. Col. Father Len Scannell of Hamilton fired a 302 to take top honors, while John Lenciski of McChord, and Col. John Hardy, also of Hamilton, wound up second and third, respectively, just a few strokes back.

Minger, Coleman, Morganstern, McMullen and Henry will represent Fourth Air Force at the Air Defense Command Golf Championships in the open division at Selfridge AFB, Mich., beginning today.

Father Scannell and Sgt. Lenciscki will represent Fourth Air Force in the same tournament in the senior division.

The contingent left Hamilton by plane at 11 a.m. Saturday.

Minger won last year's championships at Selfridge, so he'll be out to defend his title against a field that has been rated to be a good one, while Father Scannell looms as a real strong contender in the senior division.

Clay Rests After Easy Win; German Lefty Next

CHICAGO (AP) — Cassius Clay was back in Chicago today for a conference with Black Muslim leader Elijah Muhammed, a little rest and consideration of his financial and managerial stituations before preparing for his next heavyweight title defense.

Clay paused between planes in New York yesterday to note that he was coming to Chicago to visit Elijah Muhammed "as I always do after a fight."

He had just returned to the United States from London, where he had knocked out Brian London of England in the third round of a scheduled 15-round title bout Saturday night.

It was his 25th consecutive victory as a pro, his fifth successful title defense in a row, his second in 10 weeks in England and his last under his current contract with the Louisville, Ky., sponsoring group that nutured him from the amateur ranks to the most valuable title in professional sports.

Just what his managerial and financial arrangements might be in the future are still uncertain — but he has dropped some vague hints along the way.

Just before leaving for London, Clay announced that he would not renew his contract with the Louisville group — the syndicate since has confirmed it — but said he would stay with trainer Angelo Dundee as long as he is fighting.

NEW MANAGER

In England, however, Clay said that Herbert Muhammed, son of Elijah, would be his next manager. Herbert returned on the plane with him from England.

Clay, who was not pressed in the least in winning from London, said he hoped to get a little rest before his next title bout, against lefty Karl Mildenberger in Frankfurt, Germany, Sept. 10. Mildenberger's southpaw style could cause troubue, Clay said.

Clay, whose appeal of a 1-A draft status is still pending, also listed five others he called "serious contenders" for future bouts — Sonny Liston "if he makes a comeback," Ernie Terrell, who holds the World Boxing Assn. version of the title; Floyd Patterson "if he beats Cooper," Briton Henry Cooper "if he beats Patterson" and possibly Cleveland Williams.

Clay, at 209½, was nine pounds heavier than London for their title bout in England. At 24, he was eight years younger. And he was stronger and faster.

He toyed with the jet-jawed Englishman for two rounds, dancing and feinting, before backing him into a corner in the third round and driving him to the canvas with a barrage of blows.

"I never claimed to be a great fighter," London said, "but I did not know I could be so outclassed. I just was not good enough. I reckon I am as good as the best, but Cassius Clay is different — he's more than the greatest. He is out on top all on his own. Who is going to beat him?"

NEW FORMULA ON PRO GOLF TOUR

Vitamins Power Sikes To Cleveland Open Victory

CLEVELAND (AP) — These long, lean, hungry golf pros may have found a new formula to menace strongboys Jack Nicklaus and Arnold Palmer.

Two weeks ago, Al Geiberger, a stringbean, 6-foot-2½, 165-pounder, munched on peanut butter and jelly sandwiches for nourishment and went on to capture the PGA championship.

Yesterday, slender R. H. Dick Sikes, who looks like he couldn't stand up to a good wind, captured the $100,000 Cleveland Open by three strokes with a score of 268.

The 6-foot-1, 155-pound, three-year pro from Springdale, Ark., admitted later that he had been taking vitamin pills the last two weeks to build up his strength.

"There's no question the pills helped. Maybe that's why I won. I have been having trouble getting enough to eat and felt a little weak out there today," Sikes said.

Sponsored by Cleveland Browns' owner Art Modell, the 26-year-old Sikes said he got the pills from Browns trainer Leo Murphy.

The former University of Arkansas golf ace entered the final round one stroke back of veteran Bob Goalby. But Sikes, who won the NCAA championship in 1963 and twice was crowned National Public Links king, shot a three-under 68 over the Lakewood country club's par 36-35—71 layout while Goalby slumped to a 72.

It was only the second tour victory in three years for Sikes, who had finished second in two other events this season. He rang up rounds of 69-68-63-68 on the way to his impressive 16-under-par triumph.

Sikes bogeyed the second hole after driving behind a cedar tree but got even with Goalby with a bird on No. 6 and went ahead to stay with another birdie on the ninth.

He also birdied No. 11 and locked it up with a 26-foot putt on the 16th for his final bird.

The $20,000 firstp rize swelled his 1966 winnings to $65,000 while Goalby, from Belleville, Ill., had to settle for the $12,000 runner-up check.

Don January, who posted one of the day's hottest rounds with a 66, finished third on a 274 total while Julius Boros and Bobby Nichols tied for fourth with 275s.

One stroke back came Kermit Zarley and Tommy Bolt at 276 while Al Geiberger, Gene Littler, Labron Harris, Johnny Pott and Charles Coody deadlocked at 277. Pott, who started the round only three strokes back of the leader, soared to a 75.

Nicklaus needed 70 strokes and finished in a seven-way tie for 13th at 278; Palmer shot a 74 and closed in a five-way knot for 25th at 280, and U.S. Open champion Billy Casper, the tour's leading money-winner, dropped out after posting a 40 on the front nine.

other side for two touchdown passes in the last 2 minutes, 54 seconds of the first quarter.

Gent, who played only basketball at Michigan State, gathered in a 10-yard touchdown toss and a 43-yarder and was used sparingly after that.

Meredith hit Hayes with a 13-yard pass in the second quarter that carried to the 49ers' one-yard line where fullback Dan Reeves plunged over for the score on the next play.

San Francisco, playing before 28,889 hometown fans, made it 21-7 with a five-yard touchdown pass from Mira to fullback Ken Willard before the end of the first half.

The closest the 49ers could come was 21-13 in the third quarter following field goals of 24 and 14 yards by Tommy Davis. But Danny Villanueva booted a 40-yard fourth quarter field goal and the Cowboys, with their usual staunch defense, had their victory. They play the Rams in Los Angeles Saturday night.

Marin Kids Grab Water Ski Honors

Mike Suyderhoud of San Anselmo and Bob and Sharon Boivie of Ignacio were overall winners in the Western Regional Water Ski championships held over the weekend at Berkeley's Aquatic Park.

Suyderhoud approached his own national record of 121 feet in the jump event Saturday when he leaped 116 feet in the Boys' Division. Yesterday he placed second in tricks to walk away with overall honors.

Bob Boivie jumped 81 feet to win Junior Boys' jumping Saturday and sister Sharon was first in girls' slalom. Both went on yesterday to win the overall honors. In winning tricks competition, Bob set a junior boys' regional record with 2,912 points.

Frank Demby Jr. of San Rafael was second in junior boys' jumping and Jean Denny of Novato was third in girls' slalom.

ARRIVE — Luci Johnson Nugent, assisted by her husband, Patrick, enters an automobile at Nassau, Bahamas after arriving by plane from New York. The couple started a honeymoon yesterday at a secluded waterfront villa. (UPI Telephoto)

Luci, Patrick In Bahamas; Fly Almost Unrecognized

NASSAU, Bahamas (AP) — Patrick and Luci Johnson Nugent were honeymooning today at a spacious and secluded waterfront villa.

The President's daughter, who wore dark glasses, and her husband, using the name "Mr. and Mrs. Frisbee," went practically unrecognized on the jet airliner they took from New York yesterday along with six other honeymoon couples.

At Kennedy Airport only one man, seeing them pass by, turned to his wife and said, "There's Luci Johnson."

Preceded by two Secret Service men, Pat and Luci were the last passengers to board the plane at Kennedy and the first to leave the Pan American flight when it touched down here. A waiting white limousine whisked them away to "Capricorn," the $250,000 home of Mrs. Rebekah Harkness-Kean, socially prominent philanthropist.

On the two and one-half hour flight, the Nugents sat in the first-class section next to newlyweds Mr. and Mrs. Larry Buczkowskis later said they did not howskis later said they did not recognize the Nugents. The five other couples rode in the economy section.

Luci wore a blue skirt, white blouse, and black ballerina slippers. Her husband of one day was attired in a light gray business suit.

They each had steak dinners on the plane. The 19-year-old bride, under drinking age, had a soft drink while Nugent, 23, ordered vodka, a stewardess said.

After the couple were driven to the villa, a chain was quickly placed across the drive. "Capricorn" is about eight miles west of Nassau, on the western side of New Providence Island some three miles from Lyford Cay, famous millionaire's resort. Thick foliage borders the estate on three sides and on the fourth is a private, white sand beach.

On the other side of the world, while his brother was marrying Luci in Washington Saturday, 1st Lt. Gerard Nugent, 24, of the U. S. Marine Corps slept on a canvas cot amid the boom of artillery near Hill 65, Viet Nam.

Yesterday was Lt. Nugent's first wedding anniversary. Two weeks after his marriage he was off to Okinawa and then to Viet Nam. He has about one more month in Viet Nam and already has orders to report to Camp Pendleton, Calif.

The reassignment reportedly was made before Marine Corps officers had any idea of the impending marriage of Pat and Luci.

Back in Washington the White House, which had been closed to tourists since Thursday afternoon because of the hectic wedding preparations, was being spruced up for public tours today. It usually is closed to tourists on Mondays as well as Sundays.

President and Mrs. Johnson attended church services yesterday at the National City Christian Church. Mrs. Johnson appeared somewhat fatigued and the President skipped his usual handshaking among the crowd outside the church.

Dr. George R. Davis, minister of the church, who attended Luci's marriage at the Catholic Shrine of the Immaculate Conception, told his 11 o'clock congregation: "I wish every young couple would be as impressivly reminded as they were yesterday of the significance and meaning of marriage."

The groom's parents, Mr. and Mrs. Gerard P. Nugent, left the White House to drive to their home in Waukegan, Ill.

There was no official word on whether the multitude of wedding gifts received by Luci and Pat would remain at the White House or be shipped to Austin, Tex., where the couple has rented a duplex.

Pat and Luci apparently will stay at the villa for a week. Their airline tickets indicated they plan to visit Eleuthera Island next Sunday. Eleuthera is 50 miles east of New Providence.

In each year since 1948, an average of one out of every five Americans has changed residence.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository* or *ointment form* called *Preparation H®*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Sniper Death Brings Toll In Texas To 16

AUSTIN, Tex. (UPI) — A teen-aged girl wounded by sniper Charles J. Whitman died early today, becoming the 16th victim of the largest mass murder in American history.

Karen Griffith, 17, died at 12:10 a.m., at Brackenridge Hospital where she had remained in critical condition since last Monday when felled by gunfire from Whitman's University of Texas tower perch.

Miss Griffith was the 14th person to die in the sniper shootings. Whitman earlier had killed his wife and his mother and after his 80-minute siege from the tower was fatally wounded himself.

In all, he shot 46 persons from the tower. Mary Gabour, 41, of Texarkana, Tex., was the only other sniper victim remaining in critical condition today.

Miss Griffith, from Austin, was shot once with the bullet penetrating her right lung. Although conscious when admitted to the hospital, doctors said her condition worsened.

Mrs. Gabour was among the first to be shot by Whitman. Her son Mark, and her sister, Mrs. Marguerite Lamport, were killed.

Fifteen other persons remained hospitalized today with less serious wounds.

Authorities found a quantity of dexedrine in the footlocker the ex-Marine carried to the 29th floor of the tower. Police said the footlocker contained Whitman's arsenal of weapons and ammunition.

Medical investigators say if Whitman was "high" on the drug it would account for his crazed killing spree. Dexedrine is controlled by the federal dangerous drug law.

Boys Are Blamed In Two Entries

The sheriff's office reported yesterday that a 13-year-old Novato boy now in Juvenile Hall has admitted burglary in the home of Harold Gurish, 272 Blackstone Drive, Marinwood, about a year ago.

Inspector William Johansen reported that the boy implicated his 12-year-old brother in two burglaries at the home and another youth in a third burglary.

Eight Guardsmen Killed In Crash

CHUCKEY, Tenn. (UPI) — Eight Army National Guardsmen were killed and eight more were injured yesterday when a truck in which they were riding apparently lost its brakes, collided with a car and tumbled down a 10-foot embankment.

Authorities said the canvas-topped "six-by" truck threw some of the victims out and pinned others when it flipped over and rested in a ditch after rounding a curve near the Chuckey Elementary School on U.S. 11. The highway patrol said the truck's brakes apparently failed.

The men were headed for their monthly drill session when the truck and a car collided.

Father, Two Children Killed In Plane Crash

ROBERVAL, Que. (UPI)—As 20,000 spectators at a swimming meet looked on helplessly, a small private plane spiraled into Lake St. Jean Saturday and sank almost immediately.

The pilot, Jean-Marie Gourdreault, his 9-year-old son and his 6-year-old daughter died in the crash and three other persons were thrown clear. They were hospitalized. No one on the ground was injured.
